

POLICYHOLDER DISCLOSURE

NOTICE OF TERRORISM INSURANCE COVERAGE

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, you have a right to purchase insurance coverage for losses arising out of acts of terrorism, *as defined in Section 102(1) of the Act*. The term "act of terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If you accept this coverage, any terrorism exclusions for acts of terrorism, *as defined in the Act*, already contained in your policy or included in an endorsement are nullified.

If you accept this offer of coverage, you should know that coverage that may be provided by this policy for losses caused by certified acts of terrorism is partially reimbursed by the United States under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under this formula, the United States Government generally reimburses 85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019 and 80% beginning on January 1, 2020 of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium charged for this coverage is provided below and does not include any charges for the portion of loss covered by the federal government under the Act.

You should also know that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

ACCEPTANCE OR REJECTION OF TERRORISM INSURANCE COVERAGE

You may accept or reject this offer of coverage. Your renewal policy does not include this coverage, but includes an exclusion for terrorism losses.

You may accept this coverage by signing and returning this notice to us by the date listed below. If you elect to accept this coverage, the premium is payable according to your billing notice.

The portion of your annual premium that is for the coverage for terrorism, as defined in this Act, if you accept this coverage is:
\$ 249.

<input type="checkbox"/>	I hereby elect to purchase terrorism coverage. Sign and return this form to us by <u>02/27/2019</u> .
