- A. Coverage A is extended to cover the loss or expense described in Items 1, 2 and 3 that ensues as a direct consequence of a *covered loss* at the described premises. *We* cover such for an amount determined by applying the applicable factor shown in the Declarations Supplement to the Coverage A limit for the subject property: the product is the specified limit for this Coverage. The losses

or expenses covered are:

 - a. Requires the demolition of parts of the same property not damaged by a covered cause of loss.
 - b. Regulates the construction or repair of buildings, or establishes building, land use or zoning requirements at the described premises.
2. The increased expense *you* incur to construct, rebuild, or repair the property caused by enforcement of building, land use, or zoning code / law in force on the date of the *covered loss*: the property must be intended for the same use / occupancy as the current property unless otherwise prohibited by such code / law.
3. The expense *you* incur to demolish undamaged parts of property and clear the site of such parts, caused by enforcement of building, land use, or zoning code / law in force on the date of the *covered loss*.

Coverage C is extended, as to Condition B under Part I A, to the increased period of time required to comply with the conditions described in the preceding Paragraph 1; but, in no event is coverage provided beyond 12 months (365 days) from the first day of the *covered loss*.

B. We are not liable for payment under this Supplemental Coverage:

1. Until the property is repaired or replaced by *you* or *us* (at the same premises or elsewhere if permitted or required by this policy); and
Unless the repair or replacement is made as soon as possible after the loss, but not later than the period described in Part I G.2.C.
2. For any loss or expense arising out of the enforcement of any code, directive, law, ordinance, or regulation requiring any *insured* or others to clean up, contain, detoxify, monitor, neutralize, remove, test for, or treat any *pollutants*, asbestos, *fungi*, mold, or lead contamination.

C. Our maximum liability under this Supplemental Coverage (A.1, 2 and 3 combined), subject to (1), the specified limit and (2), the applicable limits and limitations on *our* liability described in Part I G.2.A is the sum of the following:

1. The cost to demolish the property and clear the site.
And,
2. The cost to reconstruct / replace the property on the described premises.

D. This Supplemental Coverage does not apply to buildings or structures insured on an *Actual Cash Value* basis.

4. BUILDING GLASS COVERAGE – LIMITED COVERAGE

Inventory – At *our* request, prepare and sign an inventory of all damaged and undamaged property, showing in detail: age; description; quantity; *actual cash value* and, if so covered, replacement cost; source; amount of loss claimed. To the extent possible, set the damaged property aside and put such in best possible order for *our* examination.

E. Statement of Loss / Proof of Loss

Submit to *us* a statement about the loss that includes all information reasonably required by *us* (including, but not limited to, that described in the preceding Paragraphs C.2 and D) to determine: coverage; *our* liability for the loss and the amount and scope of loss; specifications of any damaged buildings. The statement is also to include detailed repair estimates.

And if required: submit to *us* within 60 days after *our* request a signed, sworn proof of loss. This is to include the information described in the preceding paragraphs and any other information reasonably required by *us*, including all knowledge available to *you*, and others about:

1. The time and cause of loss.
2. *Your* interest and that of all others in the property involved, including a description of all encumbrances on such property.
3. All other insurance policies which may apply to the loss.
4. Any changes in occupancy, title, or use of the property during the policy term.

Failure to comply with these (or other Conditions) can alter or void *our* obligations under this policy.

2. HOW LOSSES ARE SETTLED

A. Limits of Liability

Our liability for loss is limited to whichever amount is the smallest of the following:

1. The replacement cost or *actual cash value* of the property at the time of loss, whichever basis applies to the property covered under this policy. But not exceeding the lesser of: the reasonable cost required, with diligence, to repair or replace the property with equivalent property at the described premises intended for the same use / occupancy; or the amount spent for such repair or replacement – even if the *actual cash value* is greater.
2. The limits or amounts of insurance shown in the Declarations or Declarations Supplement as applicable to the loss.
3. *Your* insurable interest or that of any “mortgagee” named in this policy.

B. Deductible

We are liable for that amount of the loss in any one occurrence in excess of the deductible amount shown in the Declarations. The deductible does not apply to Coverage C.

C. Bases of Settlement

1. Replacement Coverage. Loss settlement under Coverages A and B is on a replacement basis unless otherwise provided by this policy. But, this applies only if replacement is made at the described premises: *We* may waive this requirement in writing if building laws prohibit replacement at the described premises (then see Supplemental Coverage 3), or for other reasons acceptable to *us*.

We are not liable for payment on a replacement basis until the repair or replacement is completed, unless the total cost for full repair or replacement is less than the replacement threshold limit shown in the Declarations Supplement. *You* may submit a claim on an *actual cash value* basis and then, no later than 180 days following settlement on an *actual cash value* basis (or *our* offer of such if *you* decline settlement) make further claim in writing on repair or replacement which *you* have completed at the time you make such claim.

2. Actual Cash Value

If the *actual cash value* settlement is applicable, then loss is settled on the basis of the *actual cash value* of the property at the time of loss.

3. Money or Securities

Our liability for loss to *money* or *securities*, to the extent covered by this policy, does not exceed whichever amount is the smaller of the following:

- a. The *actual cash value* of the property at the time of loss.
- b. The cost to replace the property with equivalent property. The cost of replacing *securities* may be determined by *us* by market value at the time of settlement.

If more than one location is covered, the “Off Premises” limits are not cumulative, and any specific location limit applies only to loss from the described location.

4. Tenant’s Improvements and Betterments

We will pay *your* use interest in such property based upon consideration of: (a) the unexpired term of the lease at the time of loss and, (b) the age of such property at the time the lease expires related to *your* expenses to acquire such property. However, if *you* repair or replace the property at *your* expense *we* will pay for the loss on a replacement cost or *actual cash value* basis, whichever coverage option is applicable under this policy.

D. Abandonment of Property

There can be no abandonment to *us* of any property.

E. Appraisal

If *you* and *we* fail to agree on the amount of the loss or values, either one can require that the amount of loss or values be set by appraisal. Within 30 days of receipt of a written demand for appraisal, each is to select a competent and disinterested appraiser. Each is to then notify the other of the selected appraiser.

The two appraisers are to select a competent and disinterested umpire. If the appraisers are unable to agree upon an umpire within 15 days, *you* or *we* may petition a judge of a Court of Record to select an umpire.

The appraisers are to set the amount of the loss or value. If the appraisers fail to agree within a reasonable time, they are to submit their differences to the umpire. Written agreement signed by any two of these three persons sets the amount of loss or value.

Each appraiser is paid by the party selecting that appraiser. Other expenses of the appraisal and compensation of the umpire are to be paid equally by *you* and *us*.

If *we* agree to appraisal, *we* specifically retain *our* right to deny the claim.

F. Loss to a Portion of a Pair or Set of Articles – Coverage B

1. Loss to some portion of a pair or set of articles or to property consisting of two or more parts (when complete) is not considered a total loss unless: because of the loss, the remainder is of no use and repair or replacement is not feasible.
2. In case *we* agree to pay for total loss, *you* are required to give *us* the remainder of such property, at *our* request, prior to such payment.

G. Our Liability and Satisfaction of Your Loss

If the maximum liability payable by *us* on *covered loss*, as determined under this policy, does not fully satisfy *your* loss, then *you* must either seek insurance that may be provided by others for the difference or otherwise absorb the unsatisfied portion of the loss *yourself*.

However, loss does not reduce the amount of insurance unless an aggregate limit applies.

H. Our Options in Settling Losses – Coverages A and B

1. *We* may pay for the loss in money.
2. *We* may repair or replace all or any part of the property as provided for in this policy, or take all or any part of such property at a mutually agreed, or appraised, value. *We* may give notice of *our* intent to do so at any time up to 30 days after *our* acceptance of *our* liability for the loss (i.e., proof of loss).
3. *We* may settle the claim with *you*, any loss payee named in this policy, or others legally entitled to receive payment. If the claim applies to property of others, *we* have the right to adjust the loss with the owners of the property: satisfaction of their claim is also satisfaction of *your* claim as to such property.

If legal action is taken in a claim against *you*, *we* have the right to conduct and control a defense at *our* expense (but without increasing *our* liability under this policy).

I. Recovery of Covered Property

In the event *we* make a payment for loss and a subsequent recovery is made of any of the property, *you* may choose to keep the property *you* have recovered or receive the

property that *we* have recovered. If *you* choose this option, *our* liability is reduced accordingly: payment is adjusted for the amount which *you* received for the loss to such property, and *you* must compensate *us* for the amount *we* previously paid.

If *you* do not choose this option, the recovered property becomes *our* property: if *you* have such property, *you* are required to give *us* those items *we* request.

J. When Loss Becomes Payable / Payment to Others

Loss becomes payable 30 days after completion and acceptance by *us* of a written agreement between the parties, or after an award is filed with *us* as provided in this policy. *Our* payment does not reduce the amount of insurance provided under this policy.

With respect to any mortgagee or secured party named in this policy; governmental entity; or others with contractual, legal, or statutory rights in loss payable under this policy: *we* may make payment jointly to all interested parties at *our* option. But *we* need not pay any loss assignee, unless they receive a full assignment of the loss from *you*.

If an insurance trustee is named in this policy, *we* may negotiate the loss and make payment solely to such trustee – to the extent the trustee represents those with an interest under this policy.

3. OTHER SPECIAL CONDITIONS

A. Mortgagee Clause

Mortgagees named in this policy are covered for loss to the extent of their interest and in order of precedence of the mortgages. This condition applies to all mortgagees, trustees or secured parties named in this policy who comply with the following conditions of this policy.

Provided that the mortgagee will:

1. Without delay, notify *us* of any change in ownership or occupancy, foreclosure proceeding or increased hazard known to the mortgagee.
2. Pay, on *our* demand, any required premium, if *you* fail to do so.
3. Furnish proof of loss within 60 days after *our* request, if *you* fail to do so.
4. Give *us* the mortgagee's rights of recovery against anyone liable for the loss. This is not to impair the right of the mortgagee to recover the full amount of the mortgagee's claim.
5. Permit *us*, after a loss, to satisfy the mortgage requirements and receive a full assignment of the mortgage and all collateral securities to the debt.

We agree to provide this insurance to protect the mortgagee's interest in covered property in case *we* deny *your* claim.

Cancellation may be made by *us* in accordance with the cancellation provisions described in the Common Conditions.

B. No Benefit to Bailee

This insurance does not inure to the benefit of any carrier or others having custody of *your* property for a fee or other payment.

C. Vacancy, Unoccupancy, and Other Increase in Hazard

1. This insurance is suspended on a covered building while vacant beyond a period of 60 consecutive days. "Vacant" or "Vacancy" means not containing the contents customary to occupancy of the building. A building in the course of lawful construction or renovation is not considered vacant.
2. This insurance is suspended on a covered building while unoccupied beyond a period of 60 consecutive days. This does not apply to unoccupancy during that part of the year when it is *your* custom to close because of seasonal use.
3. *We* are not liable for loss occurring while the hazards *we* undertook to insure at the subject premises are increased by means which are within *your* control (or

of those *you* designate to have control of the premises in *your* absence). Lawful building alteration, construction, maintenance, or repair, unless changing the use of the premises, is not an increase in hazard.

Increase in hazard includes changes affecting any of the following: use of the premises; the rates for this insurance; the acceptability of hazard / risk to *us*, including breach of conditions which were the basis of *our* acceptance of such; the underwriting conditions and changes in physical conditions required by *us* for such hazard / risk; ongoing continuous effectiveness and use of any protective safeguards required by *us* or for which *we* have given premium consideration; circumstances which would affect the scope of coverage, covered causes of loss, or amounts of insurance otherwise acceptable to *us* for such hazard / risk.

Prior to the policy term, no *insured* or no *employee* authorized by *you* to give or receive notice of a claim or *occurrence*, knew that the *bodily injury* or *property damage* had occurred in whole or in part. If any *insured* or authorized *employee* knew, prior to the policy term, that the *bodily injury* or *property damage* occurred, then any change in, continuation of, or resumption of such *bodily injury* or *property damage* during or after the policy term will be deemed to have been known prior to the policy term.

Damages because of *bodily injury* insured in this policy include claims by others for care, death (at any time), or loss of services resulting from such *bodily injury*.

- B. *Bodily injury* or *property damage* which occurs during the policy term, provided no *insured* or *employee* authorized by *you* to give or receive notice of a claim or *occurrence* knew, prior to the policy term, that such *bodily injury* or *property damage* had occurred, includes any change in, continuation of, or resumption of that *bodily injury* or *property damage* after the end of the policy term.

The accident must: take place within the applicable coverage

territory and policy term (See Common Conditions), and occur:

1. On *your premises*.
2. Away from *your premises*, but, if so, then only if the accident either:
 - a. Arises out of a condition at *your premises*; or
 - b. Arises out of the business / operations insured by this policy.

Fault or legal liability is not a condition for such payment (and *our* payment is not an admission of liability by any *insured*); however, *we* pay medical expenses only for *bodily injury* not otherwise excluded or uninsured under this policy.

- B. Medical expenses means expenses for: ambulance, dental, funeral, hospital, medical, professional nursing, surgical or x-ray services; prosthetic devices; drugs and surgical supplies.

COMMON CONDITIONS – PARTS I AND II

The following are Conditions that apply to both Parts I and II. These Common Conditions apply in addition to those shown under the separate Coverage Parts.

1. ACTION OR SUIT AGAINST US

PART I

The conditions for bringing an action or suit against *us* are described elsewhere in this policy in the state mandatory endorsement.

PART II

No action may be brought against *us* until all conditions in this policy are complied with, and until the amount of the *insured's* obligation (payable under this policy) has been determined by judgment in trial or by agreement made with *our* written consent.

No right exists in this policy for *you* or others to make *us* party to an action against any *insured*.

2. ASSIGNMENT OF YOUR INTEREST

No assignment of an interest in this policy is binding on *us* without *our* written consent. However, if *you* are an individual and die, this insurance applies to the following who become *insureds* under this policy in the described capacity:

- A. *Your* legal representative, while acting within the scope of the representative's duties.
- B. Those with custody of *your* property prior to appointment of a legal representative.

3. CANCELLATION / TERMINATION

A. General

You may cancel this policy by: surrendering the policy to *us* or *our* agent or by mailing *us* or *our* agent notice stating a subsequent cancellation date for the policy. Such request made by the *first named insured* applies for all *insureds* / interests named under this policy. All cancellations are pro rata, but a minimum earned premium may apply. Any return premium is payable to the *first named insured* within 30 days after the cancellation date.

If *you* secure insurance with another insurer to replace *our* policy and do not pay the premium, or installment payment, for this policy when due: this policy terminates at the time such other insurance becomes effective. If *you* sell the described business or premises to others, coverage under this policy terminates at the time title is transferred to others with respect to such business or premises – unless *you* retain an insurable interest.

B. Our Right to Cancel or Terminate

Our rights to cancel or terminate this insurance are described elsewhere in this policy in the state mandatory endorsement.

4. CONCEALMENT / MISREPRESENTATION / FRAUD

This policy is void if, either before or after a loss or *occurrence* or claim, any *insured* misrepresents or knowingly conceals any material fact or circumstance, commits fraud, or swears falsely relating to any aspect of this insurance (including the information *we* relied upon in issuing this contract). However, if *we* specifically choose not to declare this policy void, *we* do not provide insurance under this policy to, or for the benefit of, any such *insureds*.

5. CONFORMITY WITH STATUTE

It is agreed by *us* that the provisions in this policy are amended to conform to all applicable statutory requirements.

6. COVERAGE TERRITORY

PART I

We cover damage or loss only within the fifty states of the United States of America (including its possessions and territories), the District of Columbia, Puerto Rico and Canada.

PART II

Coverage under this policy applies only within the following territories:

- A. The United States of America (including its possessions and territories), the District of Columbia, Puerto Rico and Canada.
- B. International waters or air space, if the *bodily injury* or *property damage* occurs while in the course of transit to or from the territory described in the preceding Paragraph A.
- C. Anywhere in the world with respect to damages because of *bodily injury* or *property damage* arising out of either:
 1. Activities of a person whose home is in the territory described in the preceding Paragraph A, but is away for a brief time in the course of *your business* / operations covered by this policy; or
 2. Goods or products made or sold by *you* in the territory described in the preceding the preceding Paragraph A.

However, all coverage under this policy applies only to suits which are brought or agreements made with *our* written consent within the territory described in the preceding Paragraph A.

7. EXAMINATION / CHANGES

We may, at *our* option, inspect *your* property, and operations at any time, make surveys, and make recommendations. However, *our* reports or recommendations or those of any

inspection bureau or rating bureau do not constitute a determination or representation that *your premises* or operations are in compliance with any law or regulation, healthful, or safe.

We may inspect and audit *your books and records* at any time (including up to 3 years after termination of this insurance contract) to the extent such pertain to the subject of this insurance or payment of premium. The *first named insured* is required to keep all records necessary for such and send complete accurate copies to *us* at *our* request.

We may make premium adjustments: because of inspection and audit; because of the use of premises not described in this policy or any other rateable additions or changes; because of newly acquired or formed business entities.

But, as to Part II, *we* are not obligated to continue insurance on additions or changes, new entities, or premises described in the preceding paragraphs. Nor, in any event, are such covered on renewal (of the expiring policy term) unless *you* report such to *us* and such are described in the renewal Declarations: this condition does not apply to additions or changes (other than new entities) effected within 60 days prior to the renewal date of the expiring policy term.

8. INSURANCE UNDER MORE THAN ONE COVERAGE

In the event that more than one coverage under this policy covers the same loss *we* are liable only for the amount of *our* obligation, up to *our* limit of liability, not exceeding the amount of loss.

9. LIBERALIZATION

This policy is automatically extended to include provisions approved during the policy period or within 45 days prior to its inception, which would broaden coverage under this policy, if such are not subject to additional premium or concurrent with coverage restrictions.

10. OTHER INSURANCE

PART I

A. This insurance is excess insurance over other insurance *you* may have applicable to the loss (whether *you* can collect on it or not) that is not subject to the same provisions contained in this policy.

B. When this insurance is excess over other insurance:

We pay only *our* share of the remaining loss; that exceeds the sum of both:

1. The total amount payable by all such insurance, as described, in the absence of this insurance; plus
2. The total of any deductibles or self-insured amounts under all such insurance.

Furthermore, any remaining loss is then shared by *us* with any other insurance remaining on the loss in accordance with the provisions described in the following Paragraph C.

C. With regard to other insurance subject to the same provisions contained in this policy or where *we* otherwise are a primary insurer (among others), *we* pay in one of the following ways:

1. If all such other insurers provide for contributions by equal shares: *we* and all other insurers contribute equal amounts until the amount of obligation is paid or the insurer's applicable limit of liability is used up, whichever comes first.
2. If any other insurer does not provide for equal shares: *we* pay no greater proportion of the total amount of loss than *our* obligation on the applicable limit of liability of this policy bears to the total amount of insurance of all insurers covering the loss.

However if *you* have any other insurance applicable to property covered by this policy – but not covering a cause of loss covered under this policy, then: any loss payable under this policy in connection with such cause of loss is apportioned and payable by *us* in the same way as if such other insurance covered the loss.

PART II

A. This insurance is excess insurance over other insurance provided on any basis:

1. That is not subject to the same provisions contained in this policy, other than an umbrella/excess liability policy which applies in excess of the limits of this policy.
2. That is property insurance (including fire, allied lines, inland marine) for *your work* or a premises rented to, or occupied by, *you*.
3. That is liability insurance (including an umbrella / excess liability policy) for aircraft, *automobiles*, watercraft, or pollution, to the extent covered in this policy.
4. That is primary liability insurance available to *you* when *you* have been added or named as an additional insured on such other insurance for damages arising out of the business / operations or premises described in that other policy.

B. When this insurance is excess over other insurance:

1. *We* have no obligation to defend or provide a defense – but, *we* may defend:
 - a. If no other insurer defends: *we* are then entitled to the *insured*'s rights against all other insurers; or
 - b. If, at *our* option, *we* choose to join the defense provided by other insurers or provide a separate defense.
2. *We* pay only *our* share of the remaining loss that exceeds the sum of both:
 - a. The total amount payable by all such insurance, as described, in the absence of this insurance; plus
 - b. The total of any deductibles or self-insured amounts under all such insurance.

Any remaining loss is then shared by *us* with any other insurance remaining on the loss in accordance with the provisions described in the following

Paragraph C, (other than an umbrella / excess liability policy which applies in excess of the limits of this policy).

- C. With regard to other insurance subject to the same provisions contained in this policy or where *we* are a primary insurer (among others), *we* pay in one of the following ways:
1. If all such other insurers provide for contributions by equal shares: *we* and all other insurers contribute equal amounts until the total amount of obligation is paid (or each insurer exhausts its applicable limit of liability).
 2. If any other insurer does not provide for equal shares: *we* pay no greater proportion of the total amount of the *insured's* obligation than the applicable limit of liability of this policy bears to the total amount of insurance of all insurers covering the loss.

11. PREMIUMS

The *first named insured* is responsible for the payment of all premiums, and will be the sole payee of any premiums *we* return. Premium adjustments, including audit premium adjustments, are due and payable on *our* notice of such to the *first named insured*.

12. RECOVERY FROM OTHERS

If any *insured* (or others) to whom, or for whom, *we* make payment has any rights of recovery on the loss from another, those rights are transferred to *us* to the extent of *our* payment

under this policy. *Insureds* (or such others) must do whatever *we* require to secure these rights. *You* may waive such rights in writing prior to a *covered loss*. *You* may also waive such rights after a loss, but only if the waiver is given to either:

- A. Another *insured* under this policy; or
- B. A business either controlled or owned by *you* or that controls or runs *your* business.

But *we* have no obligation to pay under this policy on the loss if these rights are otherwise waived.

13. TIME OF INCEPTION

PART I

The time of inception and expiration is 12:01 A.M. Standard Time at the described premises. Unless otherwise specifically provided for under this policy, this insurance applies only to *covered loss* that takes place during the policy term (but see Coverage C).

PART II

The time of inception and expiration is 12:01 A.M. Standard Time at the described premises.

14. WAIVER OR CHANGE OF PROVISIONS

Only the *first named insured* may request changes in this policy. The terms in this policy may not be waived or changed except in writing, signed by *our* agent and attached to this policy. The exercise of *our* rights under this policy is not an act of waiver. This policy contains all related agreements between *you* and *us*.

- b. This policy cannot be cancelled or terminated for any underwriting reason or guideline that is arbitrary, capricious or unfairly discriminatory or without adequate prior notice to the *first named insured*. Policy # 500003590

Certified Terrorism Loss Coverage Premium \$

Coverage provided by this policy for losses caused by *certified acts of terrorism* is partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act. Under this formula, the United States Government pays a percentage of *certified terrorism losses* exceeding the statutorily established deductible retained by us. The percentage paid by the United States Government will gradually decrease from 85% to 80% as follows:

Calendar Year	Percentage
Beginning January 1, 2015	85%
Beginning January 1, 2016	84%
Beginning January 1, 2017	83%
Beginning January 1, 2018	82%
Beginning January 1, 2019	81%
Beginning January 1, 2020	80%

The premium charged for this coverage does not include any charges for the portion of loss covered by the federal government under the Act.

The total reimbursement for all insured *certified terrorism losses* in any one annual period is limited to \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

NON-CERTIFIED ACTS OF TERRORISM EXCLUSIONS • PARTS I AND II

This endorsement extends the policy to exclude certain loss arising out of terrorism.

The provisions of this endorsement apply only when the endorsement number is listed in the Declarations.

Except as provided below, all other provisions in this policy are unchanged.

1. COVERAGE MODIFICATION – PROPERTY

- A. If Part I is included in this policy, the following exclusion is added to the PART I COMMON EXCLUSIONS:

NON-CERTIFIED ACTS OF TERRORISM EXCLUSION

1. We do not provide insurance for any loss or damage directly or indirectly arising out of or resulting from a *non-certified act of terrorism*, including any action taken in hindering or defending against an actual or expected *non-certified act of terrorism*. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

If loss resulting from fire (to the extent insured by this policy) ensues, we insure such resulting loss. However, this exception for fire applies only to direct physical loss by fire to covered property. Therefore, this exception does not apply to any sort of consequential loss, loss of use, or loss of utility, including losses under Business Income and / or Extra Expense coverages.

2. Regardless of the amount of damage and losses, this *Non-certified Acts of Terrorism* Exclusion applies to any *non-certified act of terrorism*:
 - a. That involves the use, release or escape of nuclear materials, or that directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
 - b. That is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
 - c. In which pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the *non-certified act of terrorism* was to release such materials.

In incidents of *non-certified acts of terrorism* other than those described in the preceding Paragraphs 1.A. 2.a, b, and c, the *Non-certified Acts of Terrorism* Exclusion will not apply unless the *insured damage* to all types of property (in the United States, its territories and possessions, the District of Columbia, Puerto Rico and Canada), sustained by all persons and entities affected by the *non-certified act of terrorism* (and including loss of Business Income and Extra Expense sustained by owners or occupants of such damaged property), exceeds a total of \$25,000,000. Multiple *non-certified acts of terrorism* which occur within a

seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one *non-certified act of terrorism*.

The preceding paragraph describes the threshold used to measure the magnitude of a *non-certified act of terrorism* and the circumstances in which the threshold will apply, for the purpose of determining whether the *Non-certified Acts of Terrorism* Exclusion will apply to that incident. When the *Non-certified Acts of Terrorism* Exclusion applies to a *non-certified act of terrorism*, there is no coverage under this insurance.

In the event of any *non-certified act of terrorism* that is not subject to the *Non-certified Acts of Terrorism* Exclusion, coverage does not apply to any element of loss or damage that is otherwise excluded under this insurance.

3. However, with respect to any activity that also comes within the terms of the Governmental / Legal / War Exclusion, that exclusion supersedes this *Non-certified Acts of Terrorism* Exclusion.

In the event of a *non-certified act of terrorism* that involves nuclear reaction or radiation, or radioactive contamination, this *Non-certified Acts of Terrorism* Exclusion supersedes the Nuclear / Radioactive Loss Exclusion.

- B. If Part I is included in this policy, the PART I – GOVERNMENTAL / LEGAL / WAR COMMON EXCLUSION is replaced by the following:

GOVERNMENTAL / LEGAL / WAR

1. Any act or condition of: war (declared or not), civil war, invasion, insurrection, rebellion, revolution, or seizure of power, including acts done to defend against any such act or condition, whether actual or expected. With respect to any action that comes within the terms of this exclusion and involves nuclear reaction or radiation, or radioactive contamination, this exclusion supersedes the Nuclear / Radioactive Loss Exclusion.
2. Knowing violation of penal law or ordinance committed by, or with the consent of, an *insured*. Statutory fines or liability. Exemplary or punitive damages.
3. Confiscation, loss, or seizure under customs, drug enforcement, or quarantine legislation or regulations. Loss to property that is contraband or in the course of illegal transportation or trade.

4. Damage or destruction of property ordered by civil authority, other than immediate acts of destruction ordered by authorized civil authorities for the purpose of preventing the spread of fire – provided the fire originates from a cause of loss covered by this policy.

2. COVERAGE MODIFICATION – LIABILITY

If Part II is included in this policy, the following exclusion is added to the PART II – COMMON EXCLUSIONS:

NON-CERTIFIED ACTS OF TERRORISM EXCLUSION

We do not insure *bodily injury, property damage, personal injury or advertising injury* arising directly or indirectly out of a *non-certified act of terrorism*, including any action taken in hindering or defending against an actual or expected *non-certified act of terrorism*.

However this exclusion only applies if one or more of the following are attributable to a *non-certified act of terrorism*:

- A. The total of *insured damage* to all types of property sustained by all persons and entities affected by the *non-certified act of terrorism* (and including loss of Business Income and Extra Expense sustained by owners or occupants of such damaged property), exceeds \$25,000,000; or
- B. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
 1. Physical injury that involves a substantial risk of death; or
 2. Protracted and obvious physical disfigurement; or
 3. Protracted loss of or impairment of the function of a bodily member or organ; or
- C. The *non-certified act of terrorism* involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
- D. The *non-certified act of terrorism* is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
- E. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the *non-certified act of terrorism* was to release such materials.

The preceding Paragraphs 2.A and B describe the thresholds used to measure the magnitude of a *non-certified act of terrorism* and the circumstances in which the threshold will apply for the purpose of determining whether the *Non-certified Acts of Terrorism* Exclusion will apply to that incident. When the *Non-certified Acts of Terrorism* Exclusion applies to a *non-certified act of terrorism*, there is no coverage under this insurance.

In the event of any *non-certified act of terrorism* that is not subject to the *Non-certified Acts of Terrorism* Exclusion,

coverage does not apply to any loss or damage that is otherwise excluded under this insurance.

Multiple *non-certified acts of terrorism* which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one *non-certified act of terrorism*.

3. OTHER EXCLUSIONS

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this policy by the Governmental / Legal / War Exclusion, the Nuclear / Radioactive Loss Exclusion or any other exclusion.

4. ADDITIONAL DEFINITIONS

The following definitions apply:

Certified act of terrorism means an act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism that is:

- A. A violent act or an act that is dangerous to human life, property or infrastructure and that resulted in damage with an aggregate loss exceeding \$5,000,000:
 1. Within the United States;
 2. At the premises of a United States Mission; or
 3. To an air carrier (as defined in section 40102 of title 49, United States Code) or to a United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs;
- B. Committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions.

Non-certified act of terrorism means a violent act or an act that is dangerous to human life, property or infrastructure and that is:

- A. Committed by an individual or individuals and appears to be a part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion; and
- B. Not deemed to be a *certified act of terrorism* under the terms of the Federal Terrorism Risk Insurance Act of 2002 or any subsequent action of Congress pursuant to the Act.

If an *identity theft* first begins in one policy period and continues into other policy periods, all loss and expense arising from such *identity theft* will be subject to the aggregate limit applicable to the policy period when the *identity theft* was first discovered.

Legal costs as described in Item d. of the definition of *identity theft expenses* are part of, and not in addition to, the Expense Reimbursement coverage limit.

Coverage under this endorsement is excess over any other insurance (including, without limitation, homeowner's or renter's insurance), product warranty, extended services agreement or contract. If the *identity theft insured* has other insurance that applies to a loss under this endorsement the other insurance shall pay first. Coverage under this

endorsement applies to the amount of loss that is in excess of:

NOTICE TO POLICYHOLDER
BOILER INSPECTIONS

Please call your boiler department at (800) 425-4119 or email boilinsp@travelers.com in order that an inspection may be conducted promptly at your premises in compliance with state regulations.

Please be prepared to provide the following pieces of information:

- Your AXIS policy number
- Effective date of your policy
- Street address, including city and state
- Contact name at premises
- Phone number of contact
- Date and time of day that is convenient for the contact to allow the inspector on the premises.

If you have locations in New York City (the five boroughs), the Department of Buildings requires that all boilers be inspected once during the calendar year. The city will NOT accept late inspections. Heavy fines, which are per boiler, will be levied on the BUILDING OWNER if the boilers aren't inspected and reported to the City in time. To help ensure your boiler will be properly inspected in time to avoid these fines, please call/email your Equipment Breakdown department at the contact information listed above before October 1st to allow adequate time for inspector scheduling. This is especially critical if this is your first year insured with AXIS Insurance Co and your effective policy date is in the second half of the calendar year.

Thank you for your cooperation in this important matter.
