POLICYHOLDER DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, you have a right to purchase insurance coverage for losses arising out of acts of terrorism, as defined in Section 102(1) of the Act. The term "act of terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If you accept this coverage, any terrorism exclusions for acts of terrorism, as defined in the Act, already contained in your policy or included in an endorsement are nullified.

If you accept this offer of coverage, you should know that coverage that may be provided by this policy for losses caused by certified acts of terrorism is partially reimbursed by the United States under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under this formula, the United States Government generally reimburses 85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019 and 80% beginning on January 1, 2020 of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium charged for this coverage is provided below and does not include any charges for the portion of loss covered by the federal government under the Act.

You should also know that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

ACCEPTANCE OR REJECTION OF TERRORISM INSURANCE COVERAGE

You may accept or reject this offer of coverage. Your renewal policy does not include this coverage, but includes an exclusion for terrorism losses.

You may accept this coverage by signing and returning this notice to us by the date listed below. If you elect to accept this coverage, the premium is payable according to your billing notice.

The portion of your annual premium that is for the coverage for terrorism, as defined in this Act, if you accept this coverage is:
\$ 513.

	I hereby elect to purchase terrorism coverage. Sign and return this form to us by <u>10/20/2019</u> .

D. Insuring Agreement Qualification

The Coverages in this policy are subject to certain Exclusions and Limitations, including Part I Common Exclusions and Parts I D, E, and F.

1. Additions under construction.*
2. Alterations or repairs.
3. Building equipment, fixtures, materials, and supplies, intended for use in alteration, construction, or repair of described buildings.*
4. Completed additions.
5. Equipment, fixtures, and machinery permanently installed as part of described buildings.
6. Outdoor fixtures. For example, flag poles, ground lights, light standards.

* Such property is covered by this policy only on an excess basis, if covered by other insurance.

COVERAGE B • BUSINESS PERSONAL PROPERTY

We cover the following property located in or on described buildings:

1. Tangible personal property (including equipment, fixtures, and machines not subject to Coverage A) owned by *you* and used in *your* described business / operations.
2. Tangible personal property of others – but only to the extent of the value of the labor, materials, and supplies provided by *you* in connection with such property.

3. Tenant's improvements and betterments. This means *your* remaining use interest in additions, alterations, fixtures, and installations, not legally removable by *you*, that are both: made part of a building that *you* occupy (but do not own) and acquired or made at *your* expense.

This coverage applies only if the cost of such property is not included in *your* rent and repair or replacement is at *your* expense.

COVERAGE C • PERSONAL PROPERTY OF OTHERS

We cover tangible personal property of others, located in or on described buildings, in *your* care, control, or custody in connection with *your* described business / operations.

COVERAGE D • LOSS OF USE RESULTING FROM DIRECT COVERED LOSS

- A. We cover *your* loss of Business Income / Extra Expense, as described in the following paragraphs, that is the direct result of a *direct covered loss* that results in either:
1. The necessary interruption of *your* described business / operations; or
 2. The described premises being made incapable of being occupied.

We also cover such loss if access to the described premises is prohibited by order of any civil authority. This order must result from fortuitous direct physical loss to property at a premises other than the described premises (provided such other premises / property is not occupied or owned by *you*) caused by an applicable cause of loss covered under this policy.

B. Coverage Description

1. The following coverages apply as described in the Declarations:

- a. If Coverage D: Business Income (D.1) and Extra Expense (D. 2).
- b. If Coverage D. 1: Business Income (Only).
- c. If Coverage D. 2: Extra Expense (Only).

2. Coverage D. 1 – Business Income

- b. **Rental Income** – *Your* loss of rents from tenant occupancies (that *you* rent or customarily hold for rental to others under written leases) plus continuing expenses that are the obligation of tenants, under

such leases, but which become *your* obligation because of the *direct covered loss*.

Coverage D. 1 does not extend to any expenses that do not continue, or need not continue, during the applicable coverage period.

3. Coverage D. 2 – Extra Expense

We cover any sort of necessary reasonable expenses that *you* incur in order:

Extra expense means those increased expenses, incurred as described in the preceding paragraphs, that *you* would not otherwise incur in *your* normal business / operations had the *direct covered loss* not occurred – including the expenses to relocate at or equip and operate a replacement or temporary location.

4. Special Costs or Expenses

We also cover any sort of special costs or increased expenses that *you* incur specifically to minimize or reduce *covered loss*: but not for an amount more than such costs or expenses reduce the amount *we* would be otherwise obligated to pay had *you* not incurred such costs or expenses.

5. Cancellation of Contract

If the subject interruption or unoccupancy directly causes the cancellation, lapse, or suspension of a written agreement, contract, or lease, *we* also cover *your* loss of Business Income and / or Extra Expense directly arising out of such, provided that *you* can demonstrate that *you* otherwise would have been able to satisfy and meet all the requirements of the agreement, contract, or lease had the *direct covered loss* not occurred.

This does not apply to any loss of Business Income and / or Extra Expense that may continue beyond the applicable coverage period.

C. Coverage Period(s)

1. Basic Period of Indemnity

Our obligation begins on the date of the *direct covered loss* and ends on the date that (a) or (b) ends, whichever is the shorter period:

- a. The period required with diligence and ongoing effort to restore *your* covered business / operations to substantially the same capability and quality of service that existed immediately prior to the *direct covered loss*; or

- b. The period required with diligence and ongoing effort to repair, replace, or restore the damaged property for the same purpose and occupancy.

But, if *you* occupy a premises owned by others and do not have control of its repair or restoration then: *we* provide coverage (if required) beyond this period for the additional time required to effect such repair, replacement, or restoration or 90 days, whichever one is the shorter period.

2. Civil Authority – Special Period of Indemnity

Our obligation for *covered loss* caused by order of any civil authority begins on the date of the order prohibiting access and runs for 14 consecutive days or the end of the period that access is denied, whichever one is the shorter period.

3. Electronic Media – Special Period of Indemnity

We cover *your* loss of Business Income, up to a period not exceeding 60 consecutive days (subject to the preceding Paragraph 1), if *direct covered loss* to electronic media causes or contributes to such loss: any additional loss beyond such period caused by the failure to replace or restore electronic media is not covered by *us*.

Electronic media are: (a) any sort of electronic data processing, recording, or storage media, including the data stored on such media; (b) programming records used for electronic data processing or electronically controlled equipment.

If MCP 501 along with a number is listed in the Declarations, the number “60” above is replaced by the number shown for the subject described premises.

4. Extended Period of Indemnity

To assist *you* in *your* recovery after the end of the basic period, *we* extend coverage (if required) for up to an additional 30 consecutive days beyond the basic period described in the preceding Paragraph 1.

If MCP 502 along with a number is listed in the Declarations, the number “30” above is replaced by the number shown for the subject described premises.

5. Policy Term Extension

The described periods are not limited by expiration of the policy term.

6. Special / Extended Periods of Indemnity and Coverage D Limit

The described extended / special periods do not increase the applicable limit.

1. **Cancellation** – The cancellation or suspension of any agreement, contract, lease, or license, other than as provided for in Part I A, Coverage D, Item B. 4.
2. **Finished stock** – Loss to *finished stock* or the time required to reproduce *finished stock*: this does not apply to Extra Expense.

3. **Interference** – Delay caused by strikers (or others) with rebuilding, repairing, or replacing property or resuming *your* business / operations at the described premises, whether such delay arises at the described premises or elsewhere.

4. **Antennas** – Loss to antennas (including their lead-in wiring, masts, and towers): this is deleted if MCP 503 is listed in the Declarations.

PART I B • SUPPLEMENTAL COVERAGES

SUPPLEMENTAL COVERAGES – ADDITIONAL CONDITIONS

We provide the following Supplemental Coverages as extensions of the main coverages (but only when, and then to the extent that, such main coverages apply under this policy) subject to the following:

- A. These Supplemental Coverages do not modify or waive any provisions in this policy except to the extent specifically described: such are subject to all underlying provisions applicable in this policy, except to the extent specifically modified in Part I B.
- B. The limits shown for the following Supplemental Coverages are additional amounts of insurance unless otherwise indicated. However, these special limits are not increased or added together because we provide multiple coverages or cover multiple locations in one or more policies.
- C. If the Supplemental Coverage is keyed to a percentage of the underlying main coverage and such coverage is provided on multiple items at different limits, then:
 1. If the Supplemental Coverage can be keyed to a specific described item, we use the coverage limit for that item as the basis limit.
 2. If the Supplemental Coverage cannot be keyed to a specific described item, we use the single greatest limit provided in this policy for that coverage as the basis limit.
- D. If the Supplemental Coverage is keyed to property subject to different causes of loss, then:
 1. If the Supplemental Coverage can be keyed to a specific described item, we use the causes of loss for that item.
 2. If the Supplemental Coverage cannot be keyed to a specific described item, we use the most relevant causes of loss at the described premises for the subject property: if at a newly acquired location, we use the most relevant causes of loss at the described premises for the subject property.
- E. The Coinsurance Condition is not applicable to these Supplemental Coverages, except where specifically stated. However, any additional amounts of insurance applicable to the Supplemental Coverages may not be used to satisfy the Coinsurance Condition requirements for the underlying main coverage.

I. ACCOUNTS RECEIVABLE COVERAGE

A. We cover, up to the applicable limit shown in the Supplemental Declarations, loss arising out of *your* inability to collect on accounts receivable / credit card billings because of *covered loss* to records of such accounts. This covers all sums due *you* from customers which are uncollectible because of such loss. This also includes *your* increased collection expenses as well as other reasonable necessary expenses incurred by *you* to replace or restore these records.

Parts I E and I F (other than 8 and 12.A) do not apply.

Coverage does not apply to loss:

1. Due to accounting, billing, or bookkeeping error or omission; or

k. **Water Damage:** This means abrupt accidental discharge of water as a direct result of the breaking or cracking of any part of an appliance, equipment, or system containing water: but see Sprinkler Leakage for an *automatic sprinkler system*. Water includes steam and, as to Cause of Loss Option 5, includes such discharge of other liquids or materials.

PART I G • SPECIAL PART I CONDITIONS

1. DUTIES WHEN LOSS / DANGER OF LOSS OCCURS *You, other insureds, and other coverage beneficiaries must do all of the following things:*

A. Report the Loss

Give immediate written notice to *us* of any loss. Also, immediately notify the police in case of theft, vandalism, or other violation of law. As soon as possible, give *us* a description of how, when, and where the loss occurred.

B. Protect Property

Protect property if in imminent danger from a covered cause of loss or, if loss has occurred, from further loss. For example, by taking exposed property indoors, by covering openings or windows, or by making temporary repairs. *We* cover the reasonable necessary expenses that *you* incur for such immediate temporary repairs or safeguards.

However, it is *your* ongoing obligation, at *your* expense, to – as soon as feasible after *you*, *your* employees, or those *you* authorize to act on *your* behalf become aware of any condition under *your* control which could lead to loss while this policy is in force – undertake all reasonable construction, maintenance, or repair necessary to protect property from such *covered loss*. Listing of all such conditions is not feasible, but examples include: if a roof is leaking, to repair such; if a flooring support is collapsing / deteriorating, to repair such; if new supports or retaining walls become required, to construct such.

Any additional or subsequent loss resulting from *your* neglect of these duties is not covered under this policy, and *you* must either rely on other insurance or absorb such loss *yourself*.

C. Cooperation on the Loss

As often as *we* may reasonably request / require:

1. Immediately exhibit all that remains of the damaged and undamaged property, and allow *us* to take samples of such property for examination and inspection.
2. Produce for examination and copying: the inventory described in the following Paragraph D; all relevant accounting procedures, affidavits, books of account, bills, contracts, deeds, documents, evidence, financial records, invoices, liens, leases, receipts, records, tax returns, vouchers, or other sources of information, or facsimiles acceptable to *us*.

3. Submit to examination and provide statements under oath and sign and swear to such. If more than one person is examined, *we* reserve the right to make such examination of each person out of the presence of the others. *We* also reserve the right to video record any examinations.
4. Otherwise cooperate with *us* in the investigation / settlement of the claim.

D. Inventory

At *our* request, prepare and sign an inventory of all damaged and undamaged property, showing in detail: age; description; quantity; *actual cash value* and, if so covered, replacement cost; source; amount of loss claimed. To the extent possible, set the damaged property aside and put such in best possible order for *our* examination.

E. Statement of Loss / Proof of Loss

Submit to *us* a statement about the loss that includes all information reasonably required by *us* (including, but not limited to, that described in the preceding Paragraphs C.2 and D) to determine: coverage; *our* liability for the loss and the amount and scope of loss; specifications of any damaged buildings. The statement is also to include detailed repair estimates.

And if required: submit to *us* within 60 days after *our* request a signed, sworn proof of loss. This is to include the information described in the preceding paragraphs and any other information reasonably required by *us*, including all knowledge available to *you*, and others about:

1. The time and cause of loss.
2. *Your* interest and that of all others in the property involved (including a description of all encumbrances on such property).
3. All other insurance policies which may apply to the loss.
4. Any changes in occupancy, title, or use of the property during the policy term.

Failure to comply with these (or other Conditions) can alter or void *our* obligations under this policy.

2. HOW LOSSES ARE SETTLED

A. Limit of Liability per Loss Occurrence – Coverages A, B, C

Our maximum liability is that amount which is the least one of all the following:

1. The *actual cash value* or the replacement value (if MCP 520 is listed in the Declarations – see Condition 2.C.2) of the damaged portions of subject property at the time of loss. But, in no event, exceeding the lesser of Paragraph a or Paragraph b:
 - a. The lesser cost reasonably required, with diligence and ongoing effort, to:
 1. Repair or restore the damaged property with like materials of comparable quality used for the same purpose / same occupancy, bringing such to the same general condition as existed immediately prior to the loss; or,
 2. Replace the damaged property, at the same described premises, with like property of comparable quality used for the same purpose / same occupancy;
 - b. The necessary reasonable expense paid to repair, replace, or restore the damaged property.

2. Any factors, limits, special limits, or other recovery limitations described or specified in this policy as applicable to the subject loss and property, whether shown in the Declarations, any endorsements, or elsewhere in this policy.

The inclusion of any sort of recovery limitations or special limits or the inclusion of more than one item within any provision in this policy do not increase or otherwise modify any of the general limits shown in this policy – unless specifically stated to be additional insurance.

3. The insurable interest of the *insured* (or other named interests) at the time of loss.

And, in all cases subject to the following special conditions:

4. **Glass** – Loss to glass is settled on the basis of the cost of replacement with safety glazing material when such replacement is required by law or ordinance.

Loss to glass is subject to the applicable limits shown in the Supplemental Declarations; the “per item” limit applies to each individual pane or panel or similar item.

5. **Money** (If covered under this policy) – At face value: if foreign money, at its exchange rate (in dollars) on the date that the loss is reported to *us* by *you*.

6. **Securities** (If covered under this policy) – At their value at the close of business on the date that the loss is reported to *us* by *you*.

7. **Stock** – Loss to *stock* that *you* have sold but not delivered at the selling price, less discounts and expenses that *you* would otherwise have.

8. Tenant's Improvements and Betterments

- a. If *you* make repairs as soon as feasible, loss is settled as described in the preceding paragraphs.
- b. If *you* do not make repairs as soon as feasible, *our* obligation is limited to a proportion of *your* original cost for the improvements, determined as follows:
 1. Divide the number of days from the date of loss to the expiration date of the lease by the number of days from the date of installation (of the improvement) to the expiration date of the lease, then
 2. Multiply the original cost by the figure resulting from this division.

Note: If *your* lease contains a renewal option, we use the expiration date of the renewal option in lieu of the expiration date of the current lease.

9. **Valuable Papers and Records** – Loss to *valuable papers and records* (other than prepackaged software programs) not subject to Supplemental Coverage 13.D is settled on the basis of the cost of blank materials for reproducing such records plus the cost of labor to copy such records when duplicates of such exist.

B. Limit of Liability per Loss Occurrence – Coverage D

Our maximum liability is determined based on consideration of all the following:

1. Coverage D. 1 – Business Income

- a. The net income / rental income of the business / operations before the date the *direct covered loss* occurred.
- b. The likely net income / rental income of the business / operations had the *direct covered loss* not occurred.
- c. The operating expenses, including payroll expenses, necessary to resume *your* normal business / operations at the same capability and quality of service as existed immediately prior to the date the *direct covered loss* occurred.
- d. Any other relevant sources of information, including all information described under Part I G, Condition 1 – “Duties.”
- e. Any liability *we* otherwise have, as determined in the preceding Paragraphs, is reduced to the extent that *you* can resume *your* normal business / operations, in whole or in part, including by using any property (including damaged property) at the described premises or elsewhere: See Part I A, Coverage D, Condition D. 2.

2. Coverage D. 2 – Extra Expense

- a. All expenses that exceed the normal operating expenses that *you* would otherwise incur in *your* business / operations during the coverage period of indemnity had the *direct covered loss* not occurred.

- b. All necessary expenses that reduce the Business Income loss that would otherwise be incurred; but this applies only if Coverage D. 1 applies under this policy.
- c. Any liability *we* otherwise have for Extra Expense, as determined in the preceding Paragraph 2.a. is reduced by the following:
 - 1. The remaining salvage value of any property bought for temporary use during the coverage period of indemnity once *your* business / operations are resumed.
 - 2. Any Extra Expense that is paid for by other insurance that is not subject to the same provisions that apply under this policy.
 - 3. To the extent that *you* can resume normal business / operations.

3. **Coverage D. 1 and D. 2**

Conditions 1 and 2 apply to each described premises at which *direct covered loss* occurs, and *our* maximum liability for such loss does not exceed the limits or other recovery limitations otherwise shown in this policy applicable to the subject *covered loss*.

C. Bases of Loss Settlement – Coverages A, B, C

1. **Actual Cash Value Basis**

Loss settlement under Coverages A, B, and C is on an *actual cash value* basis.

However, if the cost to repair a damaged building is less than the replacement threshold limit specified in the Supplemental Declarations, then loss settlement is on a replacement basis (pursuant to the provisions of the following Condition C.2) other than loss to the following property: awnings; cooking, dishwashing, laundering, refrigerating, or ventilating appliances; fire extinguishers; floor coverings; lawn care and snow removal equipment; outdoor fixtures / furniture.

2. **Replacement Coverage Option – Coverages A / B**

a. If MCP 520 is listed in the Declarations (or the replacement option is otherwise designated as applicable in this policy) then the expense of replacement applies in lieu of *actual cash value* as the basis for loss settlement on those buildings and that personal property designated in this policy as subject to this Option. However, in any case, loss to the following property remains on an *actual cash value* basis:

1. Manuscripts.
2. Property of others.
3. Stock – Unless MCP 521 is listed in the Declarations.
4. Works of art, antiques, or rare articles, including – but not limited to – bronzes, bric-a-brac, etchings, marble, pictures, porcelains.

- b. We are not liable for payment on a replacement basis until *you* complete repair, replacement, or restoration of the subject property.

You may submit a claim on an *actual cash value* basis and then, no later than 180 days following settlement on an *actual cash value* basis (or *our* offer of such if *you* decline settlement), make further claim in writing on repair, replacement, or restoration which *you* have completed at the time *you* make such claim.

- 3. Unless MCP 522 is listed in the Declarations as applicable to the subject property, *you* must make repair, replacement, or restoration at the same described premises. But see Supplemental Coverage 4, if such is prohibited by law or ordinance.

D. Appraisal

- 1. If *you* and *we* do not agree on the amount of the loss or values or on the amount of Business Income or operating expenses, either one can require that the items in dispute be set by appraisal. Within 30 days of receipt of a written demand for appraisal, each is to select a competent and disinterested appraiser. Each party is to then notify the other of the appraiser selected.
- 2. The two appraisers are to select a competent and disinterested umpire. If the appraisers are unable to agree upon an umpire within fifteen days, *you* or *we* may petition a judge of a Court of Record to select an umpire.
- 3. The appraisers are to reach a mutual agreement on the items in dispute. If the appraisers fail to agree within a reasonable time, they are to submit their differences to the umpire. Written agreement signed by any two of these three persons constitutes settlement on the items in dispute.
- 4. Each appraiser is paid by the party selecting the appraiser. All other expenses of the appraisal are paid equally by *you* and *us*.
- 5. If *we* agree to appraisal, *we* specifically retain *our* right to deny the claim.

E. Coinsurance Requirements • Coverages A, B, C

When the Declarations show a Coinsurance factor, the following Conditions apply:

- 1. **Full Liability** – *We* pay the full amount of *our* obligation on the loss, as otherwise determined and limited in this policy, if the product of “a” times “b” is an amount equal to or less than the applicable limit for the property shown in the Declarations, where:
 - a. “a” is 100% of the applicable value of the property at the time of loss (if two or more items are covered by one limit, use the sum of their separate values).
 - b. “b” is the applicable Coinsurance factor specified in this policy.

But if this figure exceeds the applicable limit, *our* maximum obligation on the loss is reduced, as determined in Condition E.2. (But see the following Special Condition).

2. **Reduced Liability** – If the figure in the preceding Paragraph E.1 (that is, “a” x “b”) exceeds the applicable limit for the property, *our* obligation, subject to all other provisions, is as follows:
 - a. Divide the applicable limit by the figure determined in Paragraph E.1; then
 - b. Multiply the amount of loss (less deductible) by the figure determined in Paragraph E.2.a: *Our* maximum obligation is this reduced amount (the product of [b]).

F. Coinsurance Requirements • Coverage D.1
When the Declarations show a Coinsurance factor, the following Conditions apply:

1. **Full Liability** – *We* pay the full amount of *our* obligation on the loss, as otherwise determined and limited in this policy, if the product of “a” times “b” is an amount equal to or less than the applicable limit for such loss shown in the Declarations, where:
 - a. “a” is the sum of the net income (net profit or loss prior to income tax) plus all operating expenses (including payroll).
 - b. “b” is the applicable Coinsurance factor specified in this policy.

But if this figure exceeds the applicable limit, *our* maximum obligation on the loss is reduced, as determined in Condition F. 2 (But see the following Special Condition).

The net income and operating expenses used are those that would have been earned (had the *direct covered loss* not occurred) by *your* business / operations at the described premises for the 12 months following the latest one of the following dates, as applicable to the policy: the inception date, if a new policy; the renewal date, if a renewal policy; the last applicable anniversary date, if a term policy.

2. **Reduced Liability** – If the figure in the preceding Paragraph F.1 (that is, “a” x “b”) exceeds the applicable limit for the loss, *our* obligation, subject to all other provisions, is as follows:
 - a. Divide the applicable limit by the figure determined in Paragraph F.1; then
 - b. Multiply the amount of loss by the figure determined in Paragraph F.2.a: *Our* maximum obligation is this reduced amount (the product of [b]).

Special Condition – Waiver of Conditions E and F.

When the amount of *covered loss* is less than both: the Special Condition limit specified in the Supplemental Declarations and the product of the amount of insurance (applicable to the *covered loss*) times the Special Condition factor specified in

the Supplemental Declarations – the Coinsurance Condition is waived on such loss.

G. Deductible – Coverages A, B, C

1. *We* are liable for *covered loss* in any occurrence only when the loss is in excess of the deductible amount shown in the Declarations, and then only on the amount of loss less the deductible amount.
2. However, if MCP 512 is listed in the Declarations as applicable to the subject property loss and if the loss is 5 (five) times or more the deductible amount, then: reduce the applicable deductible by 2% (.02) of the amount of loss up to a maximum reduction of 100% of such deductible amount. For example, if the loss is \$20,000 and the deductible is \$1,000 the net deductible is \$600 (.02 x \$20,000 = \$400; \$1,000 - \$400 = \$600).

H. Loss to a Portion of a Pair or Set of Articles – Coverages B / C

1. Loss to some portion of a pair or set of articles or to property consisting of two or more parts (when complete) is not considered a total loss unless: because of such loss, the remainder is of no use and repair or replacement is not feasible.
2. In case *we* agree to pay for total loss, *you* are required to give *us* the remainder of such property, at *our* request, prior to such payment.

I. Our Liability and Satisfaction of Your Loss

If the maximum liability payable by *us* on *covered loss*, as determined under this policy, does not fully satisfy *your* loss, then *you* must either seek insurance that may be provided by others for the difference or otherwise absorb the unsatisfied portion of the loss *yourself*.

J. Our Options in Settling Losses – Coverages A, B, C

1. *We* may pay for the loss in money.
2. *We* may repair or replace all or any part of the property as provided for in this policy, or take all or any part of such property at a mutually agreed, or appraised, value. *We* may give notice of *our* intent to do so at any time up to 30 days after *our* acceptance of *our* liability for the loss (i.e., proof of loss).
3. *We* may settle the claim with *you*, any loss payee named in this policy, or others legally entitled to receive payment. If the claim applies to property of others, *we* have the right to adjust the loss with the owners of the property: satisfaction of their claim is also satisfaction of *your* claim as to such property.

If legal action is taken in a claim against *you*, *we* have the right to conduct and control a defense at *our* expense (but without increasing *our* liability under this policy).

K. Recovery of Covered Property

In the event *we* make a payment for loss and a subsequent recovery is made of any of the property, *you* may choose to keep the property *you* have recovered or receive the property that *we* have recovered. If *you* choose this

option, *our* liability is reduced accordingly: payment is adjusted for the amount which *you* received for the loss to such property, and *you* must compensate *us* for the amount *we* previously paid.

If *you* do not choose this option, the recovered property becomes *our* property: if *you* have such property, *you* are required to give *us* those items *we* request.

L. When Loss Becomes Payable / Payment to Others

Loss becomes payable 30 days after completion and acceptance by *us* of a written agreement between the parties, or after an award is filed with *us* as provided in this policy. *Our* payment does not reduce the amount of insurance provided under this policy.

With respect to any mortgagee or secured party named in this policy; governmental entity; or others with contractual, legal, or statutory rights in loss payable under this policy: *we* may make payment jointly to all interested parties at *our* option. But *we* need not pay any loss assignee, unless they receive a full assignment of the loss from *you*.

If an insurance trustee is named in this policy, *we* may negotiate the loss and make payment solely to such trustee – to the extent that the trustee represents those with an interest under this policy.

3. OTHER SPECIAL PART I CONDITIONS

A. Abandonment of Property

Abandonment of any property to *us* is prohibited.

B. Increase in Hazard / Related Conditions

1. Increased Hazards – This insurance is suspended while the hazards *we* initially undertook to insure are increased by means within *your* control or control of those *you* designate to act for *you*: loss, otherwise covered, is not insured during such suspension of this insurance. Lawful building alteration, construction, maintenance or repair, unless changing the use of premises, is not an increase in hazard.

An increase in hazard at one described premises does not affect this insurance at another described premises when no increase in hazard exists at such other described premises.

Increase in hazard includes changes which affect one or more of the following: use of the premises; the rates for this insurance; the acceptability of the hazard / risk to *us*, including breach of conditions which were the basis of *our* acceptance of such; the underwriting conditions and changes in physical conditions required by *us* for such hazard / risk; ongoing continuous effectiveness and use of any protective safeguards, required by *us* for which *we* have given premium consideration; circumstances which would affect the scope of coverage, covered causes of loss, or amounts of insurance otherwise acceptable to *us* for such hazard / risk.

2. Vacancy – This insurance is suspended when a covered building becomes vacant beyond a period of 60 consecutive days. Vacant means not containing the contents customary to occupancy of the building. A building in the course of lawful alteration, construction, or repair is not considered vacant.

3. Unoccupancy – This insurance is suspended when a covered building becomes unoccupied beyond a period of 60 consecutive days.

This Condition does not apply to unoccupancy during that part of the year when it is *your* normal previous custom to close because of seasonal use.

C. Mortgagee Agreement

Mortgagees named in this policy are covered for loss to the extent of their interest and in order of precedence of the mortgages. This Condition applies to those mortgagees (this term includes trustees) named in this policy who comply with the following Conditions.

Provided that the mortgagee will:

1. Without delay, notify *us* of any change in ownership or occupancy, foreclosure proceeding, or increased hazard known to the mortgagee.
2. Pay, on *our* demand, any required premium because the *insured* fails to do so.
3. Furnish proof of loss within 60 days after *our* request if the *insured* fails to do so.
4. Give *us* the mortgagee's rights of recovery against anyone liable for the loss. This does not impair the mortgagee's right to recover the full amount of the claim.
5. Permit *us*, after a loss, to satisfy the mortgage requirements and receive a full assignment of the mortgage and all collateral securities to the debt.

We agree to provide this insurance to protect the mortgagee's interest in covered property even if *we* deny *your* claim.

See elsewhere in this policy for Conditions relating to Cancellation by *us*.

PART I • COMMON CONDITIONS

These Common Conditions Apply in Addition to Part I G.

1. ACTION OR SUIT AGAINST US

The conditions for bringing an action or suit against *us* are described elsewhere in this policy in the state mandatory endorsement.

2. ASSIGNMENT OF YOUR INTEREST

No assignment of an interest in this policy is binding on *us* without *our* written consent. However, if *you* are an individual and die this insurance applies:

- A. To *your* legal representative, while acting within the scope of the representative's duties.
- B. To those with custody of *your* property prior to appointment of a legal representative.

3. CANCELLATION / TERMINATION**A. General**

You may cancel this policy by: surrendering the policy to *us* or *our* agent or by mailing *us* or *our* agent notice stating a subsequent cancellation date for the policy. Such request made by the *first named insured* applies for all *insureds* / interests named under this policy. All cancellations are pro rata, but a minimum earned premium may apply. Any return premium is payable to the *first named insured* – within 30 days after the cancellation date.

If *you* secure insurance with another insurer to replace *our* policy and do not pay the premium, or installment payment, for this policy when due: this policy terminates at the time such other insurance becomes effective. If *you* sell the described business or premises to others, coverage under this policy terminates at the time title is transferred to others with respect to such business or premises – unless *you* retain an insurable interest.

B. Our Right to Cancel or Terminate

Our rights to cancel or terminate this insurance are described elsewhere in this policy in the state mandatory endorsement.

4. CONCEALMENT / MISREPRESENTATION / FRAUD

This policy is void if, either before or after a loss, any *insured* misrepresents or knowingly conceals any material fact or circumstance, commits fraud, or swears falsely relating to any aspect of this insurance (including the information *we* relied upon in issuing this contract). However, if *we* specifically choose not to declare this policy void, *we* do not provide

insurance under this policy to, or for the benefit of, any such *insureds*.

5. CONFORMITY WITH STATUTE

It is agreed by *us* that the provisions in this policy are amended to conform to all applicable statutory requirements.

6. COVERAGE TERRITORY

We cover damage or loss only within the fifty states of the United States of America (including its possessions and territories), the District of Columbia, Puerto Rico and Canada.

7. EXAMINATION / CHANGES

We may, at *our* option, inspect *your* property and operations at any time, make surveys, and make recommendations. However, *our* reports or recommendations or those of any inspection bureau or rating bureau do not constitute a determination or representation that any premises or operations are in compliance with law or regulation, healthful, or safe.

We may inspect and audit *your* books and records at any time (including up to 3 years after termination of this insurance contract) to the extent such pertains to the subject of this insurance or payment of premium. The *first named insured* is required to keep all records necessary for such and send complete accurate copies to *us* at *our* request.

We may make premium adjustments based on the findings of *our* inspection and audit, or because of the application of MCP 550 (See Part I • Common Condition 11).

8. INSURANCE UNDER MORE THAN ONE COVERAGE

In the event that more than one coverage under this policy covers the same loss, *we* are liable only for the amount of *our* obligation, up to *our* limit of liability, not exceeding the amount of loss.

9. LIBERALIZATION

This policy is automatically extended to include provisions approved during the policy period or within 45 days prior to its inception, which would broaden coverage under this policy, if such are not subject to additional premium or concurrent with coverage restrictions.

10. OTHER INSURANCE

- A. This insurance is excess insurance over other insurance *you* may have applicable to the loss (whether *you* can collect on it or not) that is not subject to the same provisions contained in this policy.

- B.** When this insurance is excess over other insurance: *We* pay only *our* share of the remaining loss that exceeds the sum of both:
1. The total amount payable by all such insurance, as described, in the absence of this insurance, plus
 2. The total of any deductibles or self-insured amounts under all such insurance.

Furthermore, any remaining loss is then shared by *us* with any other insurance remaining on the loss in accordance with the provisions described in the following Paragraph C.

- C.** With regard to other insurance subject to the same provisions contained in this policy or where *we* otherwise are a primary insurer (among others) *we* pay in one of the following ways:
1. If all such other insurers provide for contributions by equal shares: *we* and all other insurers contribute equal amounts until the amount of obligation is paid or the insurer's applicable limit of liability is used up, whichever comes first.
 2. If any other insurer does not provide for equal shares: *we* pay no greater proportion of the total amount of loss than *our* obligation on the applicable limit of liability of this policy bears to the total amount of insurance of all insurers covering the loss.

However, if *you* have any other insurance applicable to property covered by this policy – but not covering a cause of loss covered under this policy, then: any loss payable under this policy in connection with such cause of loss is apportioned and payable by *us* in the same way as if such other insurance covered the loss.

11. PREMIUMS

The *first named insured* is responsible for the payment of all premiums, and will be the sole payee of any premiums *we* return.

MCP 550 – Provisional Rates and Premiums

If MCP 550 is listed in the Declarations, the rates for the subject items are interim provisional rates and the subject

premiums are tentative premiums. When the final specific rates (based on rating inspection / investigation of the subject premises) are promulgated such rates are applicable from inception of the current policy term.

The applicable tentative premiums are then recalculated using the final rates, and either a return premium or additional premium is applicable for the current policy term.

12. RECOVERY FROM OTHERS

If any *insured* (or others) to whom, or for whom, *we* make payment has any rights of recovery on the loss from another, those rights are transferred to *us* to the extent of *our* payment under this policy. *Insureds* (or such others) must do whatever *we* require to secure these rights. *You* may waive such rights in writing prior to a *covered loss*. *You* may also waive such rights after a loss, but only if the waiver is given to either:

- A. Another *insured* under this policy; or
- B. A business either controlled or owned by *you* or that controls or runs *your* business.

But *we* have no obligation to pay under this policy on the loss if these rights are otherwise waived.

13. TIME OF INCEPTION AND COVERAGE PERIOD

The time of inception and expiration is 12:01 A.M. Standard Time at the described premises. Unless otherwise specifically provided for under this policy, this insurance applies only to *covered loss* that takes place during the policy term.

14. WAIVER OR CHANGE OF PROVISIONS

Only the *first named insured* may request changes in this policy. The terms in this policy may not be waived or changed except in writing, signed by our agent and attached to this policy. The exercise of our rights under this policy is not an act of waiver. This policy contains all related agreements between *you* and us.

NOTE: Similar Common Conditions are included in Part II (if made part of this Contract).

PART I • COMMON EXCLUSIONS

We provide no insurance for any sort of damages, expenses, liability, or loss directly or indirectly, wholly or partially, aggravated by, consisting of, or resulting from the following – even if loss otherwise covered contributes to such concurrently or in any sequence.

These Common Exclusions Apply in Addition to Parts I D, E, and F.

3. NUCLEAR / RADIOACTIVE LOSS

These are not fire, explosion, smoke or any other covered cause of loss. However, if these result in fire we insure such resulting direct fire loss, but not any other direct physical loss which may ensue.
- B. The explosive, radioactive, toxic, or other injurious properties of nuclear or radioactive materials – whether such materials are natural or manufactured.

NOTE: Similar Common Exclusions are included in Part II (if made part of this Contract).

The meaning of other words / phrases not specially defined in this policy is to be found in their relevant conventional definition based on consideration of the context in which they are used in this policy.

COVERAGE PARTS

Part II – this coverage part – includes provisions relating to General Liability Insurance. If included in this insurance contract, Part I relates to Property Insurance for *your* buildings / *your* business personal property / *your* loss of business income.

PART II A • MAIN LIABILITY COVERAGE

COVERAGE E • LIABILITY TO OTHERS

- A. We pay for the benefit of *insureds*, up to the applicable limit(s) of liability (See Part II D) shown in the Declarations, those sums that *insureds* become legally liable to pay as damages because of *bodily injury* or *property damage* insured in this policy.

Such *bodily injury* or *property damage* must:

1. Be caused by an *occurrence* that takes place within the applicable coverage territory. See Common Condition 6;
2. Occur during the policy term; and
3. Prior to the policy term, no *insured* or no *employee* authorized by *you* to give or receive notice of a claim or *occurrence*, knew that the *bodily injury* or *property damage* had occurred in whole or in part. If any *insured* or authorized *employee* knew, prior to the policy term, that the *bodily injury* or *property damage* occurred, then any change in, continuation of, or resumption of such *bodily injury* or *property damage* during or after the policy term will be deemed to have been known prior to the policy term.

Damages because of *bodily injury* insured in this policy include claims by others for care, death (at any time), or loss of services resulting from such *bodily injury*.

Products / Completed Operations Hazard • If a specific aggregate limit of liability (See Part II D) for *products / completed operations hazard* is shown in the Declarations, then Coverage E, as described, extends to *bodily injury* and *property damage* included in the *products / completed operations hazard*.

- B. *Bodily injury* or *property damage* which occurs during the policy term, provided no *insured* or *employee* authorized by *you* to give or receive notice of a claim or *occurrence* knew, prior to the policy term, that such *bodily injury* or *property damage* had occurred, includes any change in, continuation of, or resumption of that *bodily injury* or *property damage* after the end of the policy term.
- C. *Bodily injury* or *property damage* will be deemed to have been known to have occurred at the earliest time when any *insured* or any *employee* authorized by *you* to give or receive notice of a claim or *occurrence*:
1. Reports all, or any part, of the *bodily injury* or *property damage* to *us* or any other insurer;
 2. Receives a written or verbal demand, claim or suit for damages because of the *bodily injury* or *property damage*; or
 3. Becomes aware of anything that indicates that *bodily injury* or *property damage* has occurred or is occurring.
- D. We have no obligation to pay any damages not covered in this policy or in excess of *our* limits of liability. (See Part II D) for any covered damages.

COVERAGE F • MEDICAL PAYMENTS TO OTHERS

The accident must: take place within the applicable coverage territory and policy term (See Common Conditions), and occur:

1. On *your premises*.
2. Away from *your premises*, but, if so, then only if the accident either:
 - a. Arises out of a condition at *your premises*; or
 - b. Arises out of the business / operations insured by this policy.

Fault or legal liability is not a condition for such payment (and *our* payment is not an admission of liability by any *insured*); however, we pay medical expenses only for *bodily injury* not otherwise excluded or uninsured under this policy.

- B. Medical expenses means expenses for: ambulance, dental, funeral, hospital, medical, professional nursing, surgical or x-ray services; prosthetic devices; drugs and surgical supplies.

If no “per person” limit is shown, then Coverage F does not apply under this policy.

1. ACTION OR SUIT AGAINST US

No action may be brought against *us* until all conditions in this policy are complied with, and until the amount of the *insured's* obligation (payable under this policy) has been determined by judgment in trial or by agreement made with *our* written consent.

No right exists in this policy for *you* or others to make *us* party to an action against any *insured*.

2. ASSIGNMENT OF YOUR INTEREST

No assignment of an interest in this policy is binding on *us* without *our* written consent. However, if *you* are an individual and die, this insurance applies to the following who become *insureds* under this policy in the described capacity:

- A. *Your* legal representative, while acting within the scope of the representative's duties.
- B. Those with custody of *your* property prior to appointment of a legal representative.

3. CANCELLATION / TERMINATION

A. General

You may cancel this policy by: surrendering the policy to *us* or *our* agent or by mailing *us* or *our* agent notice stating a subsequent cancellation date for the policy. Such request made by the *first named insured* applies for all *insureds* / interests named under this policy. All cancellations are pro rata, but a minimum earned premium may apply. Any return premium is payable to the *first named insured* – within 30 days after the cancellation date.

If *you* secure insurance with another insurer to replace *our* policy and do not pay the premium, or installment payment, for this policy when due: this policy terminates at the time such other insurance becomes effective. If *you* sell the described business or premises to others, coverage under this policy terminates at the time title is transferred to others with respect to such business or premises – unless *you* retain an insurable interest.

B. Our Right to Cancel or Terminate

Our rights to cancel or terminate this insurance are described elsewhere in this policy in the state mandatory endorsement.

4. CONCEALMENT / MISREPRESENTATION / FRAUD

This policy is void if, either before or after an *occurrence* or claim, any *insured* misrepresents or knowingly conceals any material fact or circumstance, commits fraud, or swears falsely relating to any aspect of this insurance (including the information *we* relied upon in issuing this contract). However, if *we* specifically choose not to declare this policy void, *we* do not provide insurance under this policy to, or for the benefit of, any such *insureds*.

5. CONFORMITY WITH STATUTE

It is agreed by *us* that the provisions in this policy are amended to conform to all applicable statutory requirements.

6. COVERAGE TERRITORY

Coverage under this policy applies only within the following territories:

- A. The United States of America (including its possessions and territories), the District of Columbia, Puerto Rico and Canada.
- B. International waters or air space, if the *bodily injury* or *property damage* occurs while in the course of transit to or from the territory described in the preceding Paragraph A.
- C. Anywhere in the world with respect to damages because of *bodily injury* or *property damage* arising out of either:
 - 1. Activities of a person whose home is in the territory described in the preceding Paragraph A, but is away for a brief time in the course of *your* business / operations covered in this policy; or
 - 2. Goods or products made or sold by *you* in the territory described in the preceding Paragraph A.

However, all coverage under this policy applies only to suits which are brought or agreements made with *our* written consent within the territory described in the preceding Paragraph A.

7. EXAMINATION / CHANGES

We may, at *our* option, inspect *your* property and operations at any time, make surveys, and make recommendations. However, *our* reports or recommendations or those of any inspection bureau or rating bureau do not constitute a determination or representation that *your premises* or operations are in compliance with any law or regulation, healthful, or safe.

We may inspect and audit *your* books and records at any time (including up to 3 years after termination of this insurance contract) to the extent such pertains to the subject of this insurance or payment of premium. The *first named insured* is required to keep all records necessary for such and send complete accurate copies to *us* at *our* request.

We may make premium adjustments: because of inspection and audit; because of the use of premises not described in this

policy or any other rateable additions or changes; because of newly acquired or formed business entities.

But we are not obligated to continue insurance on additions or changes, new entities, or premises described in the preceding paragraphs. Nor, in any event, are such covered on renewal (of the expiring policy term) unless *you* report such to *us* and such are described in the renewal Declarations: this condition does not apply to additions or changes (other than new entities) effected within 60 days prior to the renewal date of the expiring policy term.

8. INSURANCE UNDER MORE THAN ONE COVERAGE

In the event that more than one coverage under this policy covers the same loss *we* are liable only for the amount of *our* obligation, up to *our* limit of liability, not exceeding the amount of loss.

9. LIBERALIZATION

This policy is automatically extended to include provisions approved during the policy period or within 45 days prior to its inception, which would broaden coverage under this policy, if such are not subject to additional premium or concurrent with coverage restrictions.

10. OTHER INSURANCE

A. This insurance is excess insurance over insurance provided on any basis:

- 1. That is not subject to the same provisions contained in this policy, other than an umbrella / excess liability policy which applies in excess of the limits of this policy.
- 2. That is property insurance (including fire, allied lines, inland marine) for *your work* or a premises loaned or rented to, or occupied by, *you*.
- 3. That is liability insurance (including an umbrella/ excess liability policy) for aircraft, *automobiles*, watercraft, or pollution, to the extent otherwise covered in this policy.
- 4. That is primary liability insurance available to *you* when *you* have been added or named as an additional insured on such other insurance for damages arising out of the business / operations or premises described in that other policy.

B. When this insurance is excess over other insurance:

- 1. *We* have no obligation to defend or provide a defense – but, *we* may defend:
 - a. If no other insurer defends: *we* are then entitled to the *insured's* rights against all other insurers; or
 - b. If, at *our* option, *we* choose to join the defense provided by other insurers or provide a separate defense.
- 2. *We* pay only *our* share of the remaining loss that exceeds the sum of both:
 - a. The total amount payable by all such insurance, as described, in the absence of this insurance; plus

- b. The total of any deductibles or self-insured amounts under all such insurance.

Furthermore, any remaining loss is then shared by *us* with any other insurance remaining on the loss in accordance with the provisions described in the following Paragraph C (other than an umbrella / excess liability policy which applies in excess of the limits of this policy).

- C. With regard to other insurance subject to the same provisions contained in this policy or where *we* are a primary insurer (among others) *we* pay in one of the following ways:

1. If all such other insurers provide for contributions by equal shares: *we* and all other insurers contribute equal amounts until the total amount of obligation is paid (or each insurer exhausts its applicable limit of liability).
2. If any other insurer does not provide for equal shares: *we* pay no greater proportion of the total amount of the *insured's* obligation than the applicable limit of liability of this policy bears to the total amount of insurance of all insurers covering the loss.

11. PREMIUMS

The *first named insured* is responsible for the payment of all premiums, and will be the sole payee of any premiums *we* return. Premium adjustments, including audit premium adjustments, are due and payable on *our* notice of such to the *first named insured*.

COMMON EXCLUSIONS – PART II

We provide no insurance for any sort of damages, expenses, liability, or loss directly or indirectly, wholly or partially, aggravated by, consisting of, or resulting from the following – even if loss or an occurrence otherwise covered contributes to such concurrently or in any sequence.

If any *insured* (or others) to whom, or for whom, *we* make payment has any rights of recovery on the loss from another, those rights are transferred to *us* to the extent of *our* payment under this policy. *Insureds* (or such others) must do whatever *we* require to secure these rights. *You* may waive such rights in writing prior to a covered loss. *You* may also waive such rights after a loss, but only if the waiver is given to either:

- A. Another *insured* under this policy; or
- B. A business either controlled or owned by *you* or that controls or runs *your* business.

BUILDING CODE / LAW COVERAGE — BLANKET INSURANCE CONDITION • PART I

This endorsement establishes coverage limits when the policy is written on a blanket basis.

The provisions of this endorsement apply only when the endorsement number is listed in the Declarations.

Except as provided below, all other provisions in this policy are unchanged.

COVERAGE MODIFICATION

Paragraph A of the Building Code / Law Supplemental Coverage is amended as follows:

If blanket insurance is provided by this policy (where more than one building or property is insured under a single limit of liability), the amount of coverage is determined by applying the applicable factor to the Coverage A replacement cost for the specific property subject to the *covered loss*.

© 2004 MSO[®], Inc.

BUILDING CODE / LAW COVERAGE MODIFICATION

This endorsement revises how the limits of coverage are determined.

The provisions of this endorsement apply only when the endorsement number is listed in the Declarations.

Except as provided below, all other provisions in this policy are unchanged.

COVERAGE MODIFICATION**Section A of the Building Code / Law Supplemental Coverage is replaced by the following:**

- A. Coverage A is extended to cover the following losses or expenses that ensue as a direct consequence of *covered loss* at the described premises. The losses or expenses covered under Item A.1 are included within the Coverage A limit of liability for the subject property. This Supplemental Coverage does not provide an additional amount of insurance.

We cover the expenses under Items A.2 and 3 for an amount determined by applying the applicable factor shown in the Supplemental Declarations to the Coverage A limit for the subject property: the product is the specific limit for Items A.2 and 3 combined. If this policy is insured on a blanket basis (where more than one building or property is insured under a single limit of liability), the amount of coverage is determined by applying the applicable factor to an amount that is the greater of:

1. The Coverage A replacement cost value for the specific property subject to the *covered loss* as reported to *us* in the Statement of Values on record with *us*; or
2. The actual Coverage A replacement cost at the time of loss for such property.

The losses or expenses covered are:

1. The loss caused by enforcement of any building, land use, or zoning code / law in force the date of the *covered loss*, that:
 - a. Requires the demolition of parts of the same property not damaged by a covered cause of loss.
 - b. Regulates the construction or repair of buildings, or establishes building, land use or zoning requirements at the described premises.
2. The increased expense *you* incur to construct, rebuild, or repair the property caused by enforcement of building, land use, or zoning code / law in force on the date of the *covered loss*: the property must be intended for the same use / occupancy as the current property unless otherwise prohibited by such code / law.
3. The expense *you* incur to demolish undamaged parts of property and clear the site of such parts caused by enforcement of building, land use, or zoning code / law in force on the date of the *covered loss*.

If MCP 504 is listed in the Declarations, then Coverage D is extended, as to the Coverage Period, to the increased period of time required to comply with the conditions described in the preceding Item 1.

EQUIPMENT BREAKDOWN COVERAGE

This endorsement, together with the General Property Form (MCP 010) provides additional coverages as described below.

The provisions of this endorsement apply only when the endorsement number is listed in the Declarations.

Except as provided below, all other provisions in this policy are unchanged.

ADDITIONAL SUPPLEMENTAL COVERAGES

The following is added to Part I B – Supplemental Coverages.

A. EQUIPMENT BREAKDOWN

We will pay up to the limit shown in the Schedule, *your* direct physical damage to covered property caused by or resulting from an *accident* to *covered equipment*. As used in this Supplemental Coverage, an *accident* means fortuitous direct physical damage as follows:

- a. Make temporary repairs to *your* damaged covered property; and / or
- b. Expedite permanent repairs or permanent replacement to *your* damaged covered property.

This does not include contamination of *perishable goods* by refrigerant, including but not limited to ammonia, which is addressed in Spoilage below.

Additional expenses mean those beyond what would have been required had no *hazardous substances* been involved. The most *we* will pay for loss, damage or expense under this coverage, including actual loss of Business Income *you* sustain and necessary Extra Expense *you* incur, is the limit shown in the Schedule.

3. Spoilage

We will pay for the following:

- a. Physical damage to *perishable goods* due to spoilage;
- b. Physical damage to *perishable goods* due to contamination from the release of refrigerant, including but not limited to ammonia; or
- c. Any necessary expenses *you* incur to reduce the amount of loss under this coverage. We will also pay for such expenses to the extent that they do not exceed the amount of loss that otherwise would have been payable under this coverage.

If *you* are unable to replace the *perishable goods* before its anticipated sale, the amount of *our* payment will be determined on the basis of the sales price of the *perishable goods* at the time of the *accident*, less discounts and expenses *you* otherwise would have had. Otherwise *our* payment will be determined in accordance with the How Losses Are Settled condition.

The most *we* will pay for loss, damage or expense under this coverage is the limit shown in the Schedule.

4. Computer Equipment

The most *we* will pay for loss, damage or expense under this coverage, including actual loss of Income *you* sustain, is the limit shown in the Schedule.

Unless otherwise shown in the Schedule, Service Interruption coverage will not apply unless the failure or disruption of service exceeds 24 hours immediately following the *accident*.

© 2011 MSO®, Inc.

7. Loss of Use

Any insurance provided under this coverage part for Business Income or Extra Expense is extended to the coverage provided by this endorsement. The most *we*

will pay for loss of Business Income *you* sustain or necessary Extra Expense *you* incur is the limit shown in the Declarations for that coverage, unless otherwise shown in the Schedule.

ADDITIONAL CONDITIONS

1. Suspension

When any *covered equipment* is found to be in, or exposed to a dangerous condition, *our* representative may immediately suspend the insurance against loss from an *accident* to that *covered equipment*. We can do this by mailing or delivering a written notice of suspension to *your* address as shown in the Declarations, or at the address where the equipment is located. Once insurance is suspended, it can be reinstated only by written notice from *us*. If insurance is suspended, *you* will receive a pro rata refund of premium. The suspension will be effective even if *we* have not yet offered or made a refund of premium.

2. Jurisdictional Inspections

If any property that is *covered equipment* under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, *we* agree to perform such inspection on *your* behalf.

3. Environmental, Safety and Efficiency Improvements

If *covered equipment* requires replacement due to an *accident*, *we* will pay *your* additional cost to replace with equipment that is better for the environment, safer or more efficient than the equipment being replaced.

However, *we* will not pay more than 125% of what the cost would have been to repair or replace with like kind and quality. This condition does not increase any of the applicable limits. This condition does not apply to any property to which *actual cash value* applies.

4. Deductible

As regards Equipment Breakdown Coverage only, the following provision is added to Part 1G.2.B. Deductible:

a. The Equipment Breakdown Deductible is shown on the Equipment Breakdown Schedule.

If the deductibles vary by type of *covered equipment* and more than one type of equipment is involved in any one *accident*, only the highest deductible for each coverage will apply.

b. Direct and Indirect Coverages

Unless otherwise shown in the Schedule, the direct coverages deductibles apply to all loss or damage covered by this endorsement with the exception of those coverages subject to the indirect coverages deductibles as noted in the following Paragraphs 1, 2 and 3. Unless more specifically indicated in the Schedule, the indirect coverage deductibles apply to Loss of Income.

1. Dollar Deductibles:

We will not pay for loss, damage or expense

resulting from any *one accident* until the amount of loss, damage or expense exceeds the applicable Deductible shown in the Schedule. *We* will then pay the amount of loss, damage or expense in excess of the applicable deductible, up to the applicable Limit of Insurance after any deduction for the coinsurance requirements.

2. Time Deductible:

If a time deductible is shown in the Schedule, *we* will not be liable for any loss occurring during the specified number of hours or days immediately following the *accident*. If a time deductible is expressed in days, each day shall mean twenty four consecutive hours.

3. Multiple of Average Daily Value (ADV):

If a deductible is expressed as a number times ADV, that amount will be calculated as follows:

The ADV (Average Daily Value) will be the Business Income (as defined in any Loss of Use coverage that is part of this policy) that would have been earned during the period of interruption of business had no *accident* occurred, divided by the number of working days in that period. No reduction shall be made for the Business Income not being earned, or in the number of working days, because of the *accident* or any other scheduled or unscheduled shutdowns during the period of interruption. The ADV applies to all locations included in the valuation of the loss.

The number indicated in the Schedule shall be multiplied by the ADV as determined in the preceding paragraphs. The result shall be used as the applicable deductible.

4. Percentage of Loss Deductibles: If a deductible is expressed as a percentage of loss, *we* will not be liable for the indicated percentage of the gross amount of loss or damage (prior to any applicable deductible or coinsurance) insured under the applicable coverage. If the dollar amount of such percentage is less than the indicated minimum deductible, the minimum deductible will be the applicable deductible.

5. The most *we* will pay for loss or damage under this endorsement arising from any *one accident* is the equipment breakdown limit shown in the Schedule. Coverage provided under this endorsement does not provide an additional amount of insurance.

NON-CERTIFIED ACTS OF TERRORISM EXCLUSIONS • PARTS I AND II

This endorsement extends the policy to exclude certain loss arising out of terrorism.

The provisions of this endorsement apply only when the endorsement number is listed in the Declarations.

Except as provided below, all other provisions in this policy are unchanged.

1. COVERAGE MODIFICATION – PROPERTY

- A.** If Part I is included in this policy, the following exclusions are added to the PART I COMMON EXCLUSIONS:

NON-CERTIFIED ACTS OF TERRORISM EXCLUSION

1. We do not provide insurance for any loss or damage directly or indirectly arising out of or resulting from a *non-certified act of terrorism*, including any action taken in hindering or defending against an actual or expected *non-certified act of terrorism*. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.
2. Regardless of the amount of damage and losses, this *Non-certified Acts of Terrorism* Exclusion applies to any *non-certified act of terrorism*:
 - a. That involves the use, release or escape of nuclear materials, or that directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
 - b. That is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
 - c. In which pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the *non-certified act of terrorism* was to release such materials.

In incidents of *non-certified acts of terrorism* other than those described in the preceding Paragraphs 1.A. 2.a, b, and c, the *Non-certified Acts of Terrorism* Exclusion will not apply unless the *insured damage* to all types of property (in the United States, its territories and possessions, the District of Columbia, Puerto Rico and Canada), sustained by all persons and entities affected by the *non-certified act of terrorism* (and including loss of Business Income and Extra Expense sustained by owners or occupants of such damaged property), exceeds a total of \$25,000,000. Multiple *non-certified acts of terrorism* which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one *non-certified act of terrorism*.

The preceding paragraph describes the threshold used to measure the magnitude of a *non-certified act of terrorism* and the circumstances in which the threshold will apply, for the purpose of

determining whether the *Non-certified Acts of Terrorism* Exclusion will apply to that incident. When the *Noncertified Acts of Terrorism* Exclusion applies to a *non-certified act of terrorism*, there is no coverage under this insurance.

In the event of any *non-certified act of terrorism* that is not subject to the *Non-certified Acts of Terrorism* Exclusion, coverage does not apply to any element of loss or damage that is otherwise excluded under this insurance.

- B.** However, with respect to any activity that also comes within the terms of the Governmental / Legal / War Exclusion, that exclusion supersedes this *Non-certified Acts of Terrorism* Exclusion.

In the event of a *non-certified act of terrorism* that involves nuclear reaction or radiation, or radioactive contamination, this *Non-certified Acts of Terrorism* Exclusion supersedes the Nuclear / Radioactive Loss Exclusion.

- B.** If Part I is included in this policy, the PART I – GOVERNMENTAL / LEGAL / WAR COMMON EXCLUSION is replaced by the following:

GOVERNMENTAL / LEGAL / WAR

1. Any act or condition of: war (declared or not), civil war, invasion, insurrection, rebellion, revolution, or seizure of power, including acts done to defend against any such act or condition, whether actual or expected. With respect to any action that comes within the terms of this exclusion and involves nuclear reaction or radiation, or radioactive contamination, this exclusion supersedes the Nuclear / Radioactive Loss Exclusion.
2. Knowing violation of penal law or ordinance committed by, or with the consent of, an *insured*. Statutory fines or liability. Exemplary or punitive damages.
3. Confiscation, loss, or seizure under customs, drug enforcement, or quarantine legislation or regulations. Loss to property that is contraband or in the course of illegal transportation or trade.
4. Damage or destruction of property ordered by civil authority, other than immediate acts of destruction ordered by authorized civil authorities for the purpose of preventing the spread of fire – provided the fire originates from a cause of loss covered by this policy.

2. COVERAGE MODIFICATION – LIABILITY

If Part II is included in this policy, the following exclusions are added to the PART II – COMMON EXCLUSIONS:

NON-CERTIFIED ACTS OF TERRORISM EXCLUSION

We do not insure *bodily injury, property damage, personal injury or advertising injury* arising directly or indirectly out of a *non-certified act of terrorism*, including any action taken in hindering or defending against an actual or expected *non-certified act of terrorism*.

However this exclusion only applies if one or more of the following are attributable to a *non-certified act of terrorism*:

- A.** The total of *insured damage* to all types of property sustained by all persons and entities affected by the *non-certified act of terrorism* (and including loss of Business Income and Extra Expense sustained by owners or occupants of such damaged property), exceeds \$25,000,000; or
- B.** Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
 - 1. Physical injury that involves a substantial risk of death; or
 - 2. Protracted and obvious physical disfigurement; or
 - 3. Protracted loss of or impairment of the function of a bodily member or organ; or
- C.** The *non-certified act of terrorism* involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
- D.** The *non-certified act of terrorism* is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
- E.** Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the *non-certified act of terrorism* was to release such materials.

The preceding Paragraphs 2.A and B describe the thresholds used to measure the magnitude of a *non-certified act of terrorism* and the circumstances in which the threshold will apply for the purpose of determining whether the *Non-certified Acts of Terrorism Exclusion* will apply to that incident. When the *Non-certified Acts of Terrorism Exclusion* applies to a *noncertified act of terrorism*, there is no coverage under this insurance.

In the event of any *non-certified act of terrorism* that is not subject to the *Non-certified Acts of Terrorism Exclusion*, coverage does not apply to any loss or damage that is otherwise excluded under this insurance.

Multiple *non-certified acts of terrorism* which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one *non-certified act of terrorism*.

3. OTHER EXCLUSIONS

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this policy by the Governmental / Legal / War Exclusion, the Nuclear / Radioactive Loss Exclusion or any other exclusion.

4. ADDITIONAL DEFINITIONS

The following definitions apply:

Certified act of terrorism means an act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism that is:

- A.** A violent act or an act that is dangerous to human life, property or infrastructure and that resulted in damage with an aggregate loss exceeding \$5,000,000:
 - 1. Within the United States;
 - 2. At the premises of a United States Mission; or
 - 3. To an air carrier (as defined in section 40102 of title 49, United States Code) or to a United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs;

NOTICE TO POLICYHOLDER
BOILER INSPECTIONS

Please call your boiler department at (800) 425-4119 or email boilinsp@travelers.com in order that an inspection may be conducted promptly at your premises in compliance with state regulations.

Please be prepared to provide the following pieces of information:

- Your AXIS policy number
- Effective date of your policy
- Street address, including city and state
- Contact name at premises
- Phone number of contact
- Date and time of day that is convenient for the contact to allow the inspector on the premises.

If you have locations in New York City (the five boroughs), the Department of Buildings requires that all boilers be inspected once during the calendar year. The city will NOT accept late inspections. Heavy fines, which are per boiler, will be levied on the BUILDING OWNER if the boilers aren't inspected and reported to the City in time. To help ensure your boiler will be properly inspected in time to avoid these fines, please call/email your Equipment Breakdown department at the contact information listed above before October 1st to allow adequate time for inspector scheduling. This is especially critical if this is your first year insured with AXIS Insurance Co and your effective policy date is in the second half of the calendar year.

Thank you for your cooperation in this important matter.
