POLICYHOLDER DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, you have a right to purchase insurance coverage for losses arising out of acts of terrorism, as defined in Section 102(1) of the Act. The term "act of terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If you accept this coverage, any terrorism exclusions for acts of terrorism, as defined in the Act, already contained in your policy or included in an endorsement are nullified.

If you accept this offer of coverage, you should know that coverage that may be provided by this policy for losses caused by certified acts of terrorism is partially reimbursed by the United States under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under this formula, the United States Government generally reimburses 85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019 and 80% beginning on January 1, 2020 of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium charged for this coverage is provided below and does not include any charges for the portion of loss covered by the federal government under the Act.

You should also know that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

ACCEPTANCE OR REJECTION OF TERRORISM INSURANCE COVERAGE

You may accept or reject this offer of coverage. Your renewal policy does not include this coverage, but includes an exclusion for terrorism losses.

You may accept this coverage by signing and returning this notice to us by the date listed below. If you elect to accept this coverage, the premium is payable according to your billing notice.

The portion of your annual premium that is for the coverage for terrorism, as defined in this Act, if you accept this coverage is:
\$ 15.

	I hereby elect to purchase terrorism coverage. Sign and return this form to us by <u>11/01/2019</u> .

DEFINITIONS AND WORD MEANINGS

Words shown in *italics* are defined for the purposes of this insurance in Glossaries: See Part II B.8. and 10, Part II C.3, Part II E and Common Exclusion 3.

The word “Provisions,” refers to all or part of the text of this insurance contract – including agreements, conditions, exclusions, limits, limitations, and all other terms.

The meaning of other words / phrases not specially defined in this policy is to be found in their relevant conventional definition based on consideration of the context in which they are used in this policy.

COVERAGE PARTS

Part II – this coverage part – includes provisions relating to General Liability Insurance. If included in this insurance contract, Part I relates to Property Insurance for *your* buildings / *your* business personal property / *your* loss of business income.

PART II A • MAIN LIABILITY COVERAGE

COVERAGE E • LIABILITY TO OTHERS

- A. We pay for the benefit of *insureds*, up to the applicable limit(s) of liability (See Part II D) shown in the Declarations, those sums that *insureds* become legally liable to pay as damages because of *bodily injury* or *property damage* insured in this policy.

Such *bodily injury* or *property damage* must:

1. Be caused by an *occurrence* that takes place within the applicable coverage territory. See Common Condition 6;
2. Occur during the policy term; and
3. Prior to the policy term, no *insured* or no *employee* authorized by *you* to give or receive notice of a claim or *occurrence*, knew that the *bodily injury* or *property damage* had occurred in whole or in part. If any *insured* or authorized *employee* knew, prior to the policy term, that the *bodily injury* or *property damage* occurred, then any change in, continuation of, or resumption of such *bodily injury* or *property damage* during or after the policy term will be deemed to have been known prior to the policy term.

Damages because of *bodily injury* insured in this policy include claims by others for care, death (at any time), or loss of services resulting from such *bodily injury*.

Products / Completed Operations Hazard • If a specific aggregate limit of liability (See Part II D) for *products / completed operations hazard* is shown in the Declarations, then Coverage E, as described, extends to *bodily injury* and *property damage* included in the *products / completed operations hazard*.

- B. *Bodily injury* or *property damage* which occurs during the policy term, provided no *insured* or *employee* authorized by *you* to give or receive notice of a claim or *occurrence* knew, prior to the policy term, that such *bodily injury* or *property damage* had occurred, includes any change in, continuation of, or resumption of that *bodily injury* or *property damage* after the end of the policy term.
- C. *Bodily injury* or *property damage* will be deemed to have been known to have occurred at the earliest time when any *insured* or any *employee* authorized by *you* to give or receive notice of a claim or *occurrence*:
1. Reports all, or any part, of the *bodily injury* or *property damage* to *us* or any other insurer;
 2. Receives a written or verbal demand, claim or suit for damages because of the *bodily injury* or *property damage*; or
 3. Becomes aware of anything that indicates that *bodily injury* or *property damage* has occurred or is occurring.
- D. We have no obligation to pay any damages not covered in this policy or in excess of *our* limits of liability. (See Part II D) for any covered damages.

COVERAGE F • MEDICAL PAYMENTS TO OTHERS

- A. We pay, up to the applicable limit of liability (See Part II D) shown in the Declarations, the reasonable necessary medical expenses, incurred by others, arising out of an accident which are both incurred and reported to *us* by *you* or the coverage beneficiary within three years from the date of such accident. The accident must: take place within the applicable coverage territory and policy term (See Common Conditions), and occur:

1. On *your premises*.
2. Away from *your premises*, but, if so, then only if the accident either:
 - a. Arises out of a condition at *your premises*; or
 - b. Arises out of the business / operations insured by this policy.

Fault or legal liability is not a condition for such payment (and *our* payment is not an admission of liability by any *insured*); however, we pay medical expenses only for *bodily injury* not otherwise excluded or uninsured under this policy.

- B. Medical expenses means expenses for: ambulance, dental, funeral, hospital, medical, professional nursing, surgical or x-ray services; prosthetic devices; drugs and surgical supplies.

If no “per person” limit is shown, then Coverage F does not apply under this policy.

APPLICATION OF THIS INSURANCE (PART II)

- A. This insurance applies to liability arising out of *your* business/operations and *your premises*, designated in the Declarations or elsewhere in this policy, to the extent covered in this policy.
- B. Subject to Common Condition 7, such insurance also applies to the following:
1. Any additions or changes to *your business / operations* or *your premises*, as described in the preceding Paragraph A, which occur during the current policy term;
 2. Any business entity that *you* newly acquire or form during the current policy term, subject to the additional conditions described in the definition of *insureds*: See Part II E.

All provisions applicable to *your business / operations* and *your premises* designated in this policy apply to such additions, changes, and new entities, unless otherwise modified.

We have no obligations to provide any insurance or services, or pay any expenses or any sums, other than those specifically described as applicable and insured in this policy.

PART II B • SUPPLEMENTAL COVERAGES

The following coverages do not extend or modify any provisions in this policy, including *our Limits of Liability* or any applicable Exclusions, except to the extent specifically described.

1. DEFENSE COVERAGE

- A. With counsel of *our* choice, *we* defend suits (civil proceedings) against *insureds* seeking damages covered by this insurance. *We* have no duty to investigate any claim, defend or provide for a defense for any *insured*:
 - 1. In connection with either suits seeking damages not covered by this policy or allegations within a suit which are not covered by this policy; or
 - 2. When the applicable limit of liability is used up in payment of judgments or settlements.
- B. *We* may investigate and settle any claim or suit as *we* deem such to be reasonable.
- C. *We* assume the following costs and expenses in a suit defended by *us*:
 - 1. All costs incurred by *us*.
 - 2. The interest which accrues after entry of a judgment, but only until that time when *we* pay, offer to pay, or deposit in court that part of the judgment within *our* limit of liability.
 - 3. The prejudgment interest awarded against any *insured* on that part of the judgment *we* pay. But, if *we* offer to pay *our* applicable limit of liability under this policy, *we* will not pay any prejudgment interest which is based on the period of time that follows *our* offer.
 - 4. Costs taxed against the *insured*.
 - 5. Costs of appeal bonds or bonds to release attachments, for that amount of the bond within *our* applicable limit of liability. *We* need not furnish or secure such bonds.
 - 6. The reasonable expenses incurred by the *insured* at *our* request, as well as earnings (up to \$250 per day) lost because of absence from work at *our* request.

Suit includes alternative dispute resolution proceedings to which an *insured* either must submit or may choose to submit (but only if done with *our* prior written consent).

2. CONTRACTUAL COVERAGE

- A. Coverage E is extended to include *your* liability to pay damages to others (third parties) because of *bodily injury* or *property damage* – to the extent otherwise insured by this policy – arising out of *your* expressed assumption of the liability of another (*your* indemnitee) under the following oral or written contracts:

Item 1

- 1. Agreements to indemnify a municipality as required by law or ordinance. This does not include agreements made in connection with work for a municipality: but the assumption of tort liability of another for such work is included under Item 2.

Item 2

- B. Exclusion 2, in Part II C, does not apply to covered contracts under Item 2 with respect to maintenance, ownership, or use of aircraft or watercraft.
- C. This Supplemental Coverage applies only to contracts made in connection with *your* business / operations or *your* premises covered by this policy and, then, solely to *bodily injury* or *property damage* which occurs subsequent to execution of the covered contract.

If MCL 501 is listed in the Declarations, then coverage applies solely to those written contracts that *you* furnish to *us* within 60 days of their execution.

If MCL 502 is listed in the Declarations, then Item 2 (tort liability) is deleted.

If MCL 510 is listed in the Declarations, then coverage applies solely to written contracts.

You, other insureds, and other coverage beneficiaries must do all of the following things:

For example: who *you* are; the time, place, and circumstances of the injury or *occurrence*; the names and addresses of injured persons and witnesses.
- B.** Immediately send *us* all bills, documents, notices, papers, or summonses related to any claim or suit brought against any *insured* or to any medical expense claims.

D. Submit to examination and provide statements under oath and sign and swear to such. If more than one person is examined, *we* reserve the right to examine and receive statements from each person separately and out of the presence of the others. *We* also reserve the right to video record any examination.

E. Refrain from voluntarily making payments, assuming obligations, or incurring defense, investigative, or any other expenses – unless with *our* specific written authorization to do so (otherwise such undertakings will be at the *insured's* own expense and *we* will not pay for them). This does not apply to first aid expense coverage.

F. With regard to Coverage F, coverage beneficiaries must, as *we* may reasonably require: provide written proof of claim (under oath, if required); submit, at *our* expense, to physical examinations by physicians of *our* choice; and authorize *us* to obtain medical records.

Failure to comply with these (or other conditions) can alter or void *our* obligations under this policy.

2. LIMITS OF LIABILITY

Our maximum total liability payable for the sum of all damages, injury, liability and loss covered by this policy is limited as follows – regardless of the number of *insureds*, or claims made or suits brought by one or more persons or organizations. *Our* obligation to make payments ceases when the applicable limit is used up in payment of judgments or settlements.

For example; if 27 months: 12 months, 12 months; 3 months. However, if extended after issuance, the terminal period is included in the last 12 month period. For example, 12 months and 15 months.

3. OTHER CONDITIONS

A. Except for the limits of liability and any duties / rights assigned to the first named insured, this insurance applies separately: to each *insured* against whom claim is made or suit is brought; to each *named insured* as if the only *named insured*.

B. Bankruptcy of the insured does not relieve *us* of *our* obligations under this policy.

C. Two or More Policies Issued by Us

If this policy and any other policy or coverage form issued to *you by us*, or by any company affiliated with *us*, apply to the same *occurrence*, accident or injury, *our* maximum limit of liability under all of the policies and coverage forms shall not exceed the highest applicable limit of liability provided under any one policy or coverage form. In no event will any limit of liability of this policy be excess over or added to the limit of any other such policy or coverage form.

This Condition does not apply to any policy or coverage form issued by *us*, or by any company affiliated with *us*, as an umbrella / excess liability policy and which specifically applies as excess insurance over this policy.

But we are not obligated to continue insurance on additions or changes, new entities, or premises described in the preceding paragraphs. Nor, in any event, are such covered on renewal (of the expiring policy term) unless *you* report such to *us* and such are described in the renewal Declarations: this condition does not apply to additions or changes (other than new entities) effected within 60 days prior to the renewal date of the expiring policy term.

8. INSURANCE UNDER MORE THAN ONE COVERAGE

In the event that more than one coverage under this policy covers the same loss *we* are liable only for the amount of *our* obligation, up to *our* limit of liability, not exceeding the amount of loss.

9. LIBERALIZATION

This policy is automatically extended to include provisions approved during the policy period or within 45 days prior to its inception, which would broaden coverage under this policy, if such are not subject to additional premium or concurrent with coverage restrictions.

10. OTHER INSURANCE

A. This insurance is excess insurance over insurance provided on any basis:

- 1. That is not subject to the same provisions contained in this policy, other than an umbrella / excess liability policy which applies in excess of the limits of this policy.
- 2. That is property insurance (including fire, allied lines, inland marine) for *your work* or a premises loaned or rented to, or occupied by, *you*.
- 3. That is liability insurance (including an umbrella/ excess liability policy) for aircraft, *automobiles*, watercraft, or pollution, to the extent otherwise covered in this policy.
- 4. That is primary liability insurance available to *you* when *you* have been added or named as an additional insured on such other insurance for damages arising out of the business / operations or premises described in that other policy.

B. When this insurance is excess over other insurance:

- 1. *We* have no obligation to defend or provide a defense – but, *we* may defend:
 - a. If no other insurer defends: *we* are then entitled to the *insured's* rights against all other insurers; or
 - b. If, at *our* option, *we* choose to join the defense provided by other insurers or provide a separate defense.
- 2. *We* pay only *our* share of the remaining loss that exceeds the sum of both:
 - a. The total amount payable by all such insurance, as described, in the absence of this insurance; plus

- b. The total of any deductibles or self-insured amounts under all such insurance.

Furthermore, any remaining loss is then shared by *us* with any other insurance remaining on the loss in accordance with the provisions described in the following Paragraph C (other than an umbrella / excess liability policy which applies in excess of the limits of this policy).

- C. With regard to other insurance subject to the same provisions contained in this policy or where *we* are a primary insurer (among others) *we* pay in one of the following ways:

1. If all such other insurers provide for contributions by equal shares: *we* and all other insurers contribute equal amounts until the total amount of obligation is paid (or each insurer exhausts its applicable limit of liability).
2. If any other insurer does not provide for equal shares: *we* pay no greater proportion of the total amount of the *insured's* obligation than the applicable limit of liability of this policy bears to the total amount of insurance of all insurers covering the loss.

11. PREMIUMS

The *first named insured* is responsible for the payment of all premiums, and will be the sole payee of any premiums *we* return. Premium adjustments, including audit premium adjustments, are due and payable on *our* notice of such to the *first named insured*.

12. RECOVERY FROM OTHERS

- A. Another *insured* under this policy; or
- B. A business either controlled or owned by *you* or that controls or runs *your* business.

NON-CERTIFIED ACTS OF TERRORISM EXCLUSIONS • PARTS I AND II

This endorsement extends the policy to exclude certain loss arising out of terrorism.

The provisions of this endorsement apply only when the endorsement number is listed in the Declarations.

Except as provided below, all other provisions in this policy are unchanged.

1. COVERAGE MODIFICATION – PROPERTY

- A. If Part I is included in this policy, the following exclusion is added to the PART I COMMON EXCLUSIONS:

NON-CERTIFIED ACTS OF TERRORISM EXCLUSION

1. We do not provide insurance for any loss or damage directly or indirectly arising out of or resulting from a *non-certified act of terrorism*, including any action taken in hindering or defending against an actual or expected *non-certified act of terrorism*. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

If loss resulting from fire (to the extent insured by this policy) ensues, we insure such resulting loss. However, this exception for fire applies only to direct physical loss by fire to covered property. Therefore, this exception does not apply to any sort of consequential loss, loss of use, or loss of utility, including losses under Business Income and / or Extra Expense coverages.

2. Regardless of the amount of damage and losses, this *Non-certified Acts of Terrorism* Exclusion applies to any *non-certified act of terrorism*:
- a. That involves the use, release or escape of nuclear materials, or that directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
 - b. That is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
 - c. In which pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the *non-certified act of terrorism* was to release such materials.

In incidents of *non-certified acts of terrorism* other than those described in the preceding Paragraphs 1.A. 2.a, b, and c, the *Non-certified Acts of Terrorism* Exclusion will not apply unless the *insured damage* to all types of property (in the United States, its territories and possessions, the District of Columbia, Puerto Rico and Canada), sustained by all persons and entities affected by the *non-certified act of terrorism* (and including loss of Business Income and Extra Expense sustained by owners or occupants of such damaged property), exceeds a total of \$25,000,000. Multiple *non-certified acts of terrorism* which occur within a

seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one *non-certified act of terrorism*.

The preceding paragraph describes the threshold used to measure the magnitude of a *non-certified act of terrorism* and the circumstances in which the threshold will apply, for the purpose of determining whether the *Non-certified Acts of Terrorism* Exclusion will apply to that incident. When the *Non-certified Acts of Terrorism* Exclusion applies to a *non-certified act of terrorism*, there is no coverage under this insurance.

In the event of any *non-certified act of terrorism* that is not subject to the *Non-certified Acts of Terrorism* Exclusion, coverage does not apply to any element of loss or damage that is otherwise excluded under this insurance.

3. However, with respect to any activity that also comes within the terms of the Governmental / Legal / War Exclusion, that exclusion supersedes this *Non-certified Acts of Terrorism* Exclusion.

In the event of a *non-certified act of terrorism* that involves nuclear reaction or radiation, or radioactive contamination, this *Non-certified Acts of Terrorism* Exclusion supersedes the Nuclear / Radioactive Loss Exclusion.

- B. If Part I is included in this policy, the PART I – GOVERNMENTAL / LEGAL / WAR COMMON EXCLUSION is replaced by the following:

GOVERNMENTAL / LEGAL / WAR

- 1. Any act or condition of: war (declared or not), civil war, invasion, insurrection, rebellion, revolution, or seizure of power, including acts done to defend against any such act or condition, whether actual or expected. With respect to any action that comes within the terms of this exclusion and involves nuclear reaction or radiation, or radioactive contamination, this exclusion supersedes the Nuclear / Radioactive Loss Exclusion.
- 2. Knowing violation of penal law or ordinance committed by, or with the consent of, an *insured*. Statutory fines or liability. Exemplary or punitive damages.
- 3. Confiscation, loss, or seizure under customs, drug enforcement, or quarantine legislation or regulations. Loss to property that is contraband or in the course of illegal transportation or trade.

4. Damage or destruction of property ordered by civil authority, other than immediate acts of destruction ordered by authorized civil authorities for the purpose of preventing the spread of fire – provided the fire originates from a cause of loss covered by this policy.

2. COVERAGE MODIFICATION – LIABILITY

If Part II is included in this policy, the following exclusion is added to the PART II – COMMON EXCLUSIONS:

NON-CERTIFIED ACTS OF TERRORISM EXCLUSION

We do not insure *bodily injury, property damage, personal injury or advertising injury* arising directly or indirectly out of a *non-certified act of terrorism*, including any action taken in hindering or defending against an actual or expected *non-certified act of terrorism*.

However this exclusion only applies if one or more of the following are attributable to a *non-certified act of terrorism*:

- A. The total of *insured damage* to all types of property sustained by all persons and entities affected by the *non-certified act of terrorism* (and including loss of Business Income and Extra Expense sustained by owners or occupants of such damaged property), exceeds \$25,000,000; or
- B. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
 1. Physical injury that involves a substantial risk of death; or
 2. Protracted and obvious physical disfigurement; or
 3. Protracted loss of or impairment of the function of a bodily member or organ; or
- C. The *non-certified act of terrorism* involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
- D. The *non-certified act of terrorism* is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
- E. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the *non-certified act of terrorism* was to release such materials.

The preceding Paragraphs 2.A and B describe the thresholds used to measure the magnitude of a *non-certified act of terrorism* and the circumstances in which the threshold will apply for the purpose of determining whether the *Non-certified Acts of Terrorism* Exclusion will apply to that incident. When the *Non-certified Acts of Terrorism* Exclusion applies to a *non-certified act of terrorism*, there is no coverage under this insurance.

In the event of any *non-certified act of terrorism* that is not subject to the *Non-certified Acts of Terrorism* Exclusion,

coverage does not apply to any loss or damage that is otherwise excluded under this insurance.

Multiple *non-certified acts of terrorism* which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one *non-certified act of terrorism*.

3. OTHER EXCLUSIONS

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this policy by the Governmental / Legal / War Exclusion, the Nuclear / Radioactive Loss Exclusion or any other exclusion.

4. ADDITIONAL DEFINITIONS

The following definitions apply:

Certified act of terrorism means an act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism that is:

- A. A violent act or an act that is dangerous to human life, property or infrastructure and that resulted in damage with an aggregate loss exceeding \$5,000,000:
 1. Within the United States;
 2. At the premises of a United States Mission; or
 3. To an air carrier (as defined in section 40102 of title 49, United States Code) or to a United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs;
- B. Committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions.

Non-certified act of terrorism means a violent act or an act that is dangerous to human life, property or infrastructure and that is:

- A. Committed by an individual or individuals and appears to be a part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion; and
- B. Not deemed to be a *certified act of terrorism* under the terms of the Federal Terrorism Risk Insurance Act of 2002 or any subsequent action of Congress pursuant to the Act.
